New Zealand

New Zealand is in the Pacific Ocean and it is close to Australia. It has two islands – the North Island and the South Island. The capital is called Wellington and it is on the North Island. The country is long (1,600 km) and narrow (400 km). The size of the country is similar to the UK. The two islands are separated by water which is 22 km wide or more. The temperature on the North Island is usually a little warmer than on the South Island. There are many beautiful beaches, mountains, lakes and rivers.

Around four million tourists visit the country each year. Most of these are from Australia. There are many kinds of places for tourists to stay from five-star hotels to guest houses and budget places. The quality of accommodation is very high.

The most popular sports in the country are rugby, cricket, football, basketball and netball.
