TRUE/FALSE

Instructions: Read the text and write *T* for *true* or *F* for *false*.

The Danube Island Festival is one of the biggest in the world. It takes place every June on an island in Austria. More than three million people attend the music festival over three days. The island is in the middle of the Danube River in Vienna, Austria. There is also a beach on the island which is very popular during the festival.

The festival is very special because it is free. It started in 1984 and many famous bands have played there; for example, the Scorpions, Simple Minds and Masterblaster. The bands play on nineteen open-air stages and you can listen to all kinds of music like electronic dance music, rap music and pop music. Many of the bands like the festival so much that they come back every year.

There are also many types of food available like Turkish, Greek, Italian, Thai and Austrian, so you won't get hungry. Families are welcome as there are lots of activities for kids, too.

1. The festival happens every two years.
2. The festival is over three days.

3. You have to pay a lot of money to attend the festival.

4. Only small bands that are not famous play at the festival.

5. It’s a good place to go for families.

ESSAY

1. Write a short description of a festival in another country.
