A

For some time, the two friends sat motionless, their eyes fixed on the blinking **screen. The news coverage was playing on a loop but they were unable** to look away from the chaotic scenes that played out before them. None of it **made sense. It was as if they were watching a scene from a science-** fiction film. Any moment now, the Hollywood hero would appear to save the **day. It might have been entertaining if it hadn't been so disturbing.**

B

The epic fantasy series, written by the Welsh writer Bryn Howell, consists of **fifty-two novels, which have regularly been at the top of best-seller lists** around the world. More than 50 million books from the series have been sold **since the first novel, which was published in 1987, and it has been** translated into over forty languages. The series has won over readers of all **ages with its blend of fantasy, comedy and philosophy, although the** majority of them are aged between thirty and fifty.

C

Having been a fan of the Inspector Grantham novels for some time, I needed **little coaxing to read Kieran Prentis' latest instalment of the hit** detective series. I was eager to step back into the life of Grantham as he **solves another gruesome murder. Nevertheless, after a few chapters,** there was little driving me to read on. I hardly recognised our hero, who had **become a rather pathetic figure. Whereas the old Grantham was** bursting with pride for his ability to solve the toughest of mysteries, the new **Grantham is permanently depressed about the state of the world.**

Sitting down to write a short story can be overwhelming. However, if you **brainstorm some of the main concepts first, you'll find it a lot easier.** First, you'll need to make the main characters as convincing as possible **because they will drive the story along. The setting will also play a key** role, so choose interesting places and try to imagine your characters in them. **Once you have established the characters and the setting, you can** begin to develop the plot.

E

For some of my classmates, the motivation to take up creative writing was **the profound belief that they were the next Shakespeare. In my case, it** was a need to have some time off from the family. The course promised the **chance to explore the human experience with free tea and biscuits.** How could I miss that opportunity?

The first class was 'free writing' so we could write about anything we wanted. However, while my classmates were busy filling their pages, I was **tearing my hair out, unsure where to begin. Despite encouraging words** from the teacher, I couldn't produce a single coherent sentence.
