LESSON 11

WARM-UP | 5 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 1. Put them in pairs and give them 2 minutes to look at the photo and discuss the questions. Then encourage each pair to share what they have discussed with the class.

PRACTICE | 20–22 minutes

1 (T–S, S–T) Refer Ss to Exercise 2. Ask a few general comprehension questions: *Why did Tom go to Australia? How was his climbing at the beginning? How did he feel? How did he call for help? What does he think about climbing now?* Play the recording or Role-play Video 10 so that Ss listen or watch and compare their ideas in Exercise 1. Then invite volunteers to act out the conversation.

EXTRA ACTIVITY

Tell Ss that they will hear one side of the dialogue and they need to respond to the utterances as quickly as possible. Play Videos A and B. This could be done using choral or individual drilling.

2 (T–S, S–S, S–T) Ss do Exercise 3 individually. Give them 1–2 minutes and then 1 extra minute to check their answers in pairs before doing a class check.

3 (T–S, S–S, S–T) Ss do Exercise 4 individually. Give them 3 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Go through SPEAKING FOCUS and make sure Ss understand what to say, when to say and how to say it while telling a story and listening to one. Wherever possible, suggest alternative phrases to replace the ones given there. Drill the phrases as a whole class and with random individuals if necessary.

PRODUCTION | 13–15 minutes

1 (S–S) Refer Ss to Exercise 5. Tell them that in a few minutes they will tell, listen and respond to a story. Put them in pairs. Give them 1 minute to choose a topic from the box or one of their own ideas. When they have decided on their topic, write these headings in five columns on the board:

Introduction *Background* *Problem* *Main events* *Final comment*

Tell Ss to think about what they are going to say and make notes under each heading. Give them 5 minutes to do this.

2 (S–S, S–T, T–S) Exercise 6. Ss act out their conversations. Explain that one of them will tell the story and the other will react and respond. Tell them to use their notes in Exercise 5 and expressions from the SPEAKING FOCUS in their conversations. Also, tell Ss to act out as realistic as possible. Alternatively, Ss swap roles and follow the same procedure as above. As Ss interact with each other, walk around taking notes of what you hear. Invite pairs to act out their conversations in front of the class. Finally, give some feedback based on your notes.
