LESSON 11

WARM-UP | 4–5 minutes

(S–S, T–S, S–T) Books closed. Activate language connected to health and illnesses by asking: *When was the last time you were ill/injured? What was wrong? What happened? Did you go to the doctor? What medicine/treatment did you have? Did you take time off school? How long?*

PRACTICE | 22–24 minutes

1 (T–S, S–T) Ask Ss to turn to p. 112 and look at Exercise 1. Check understanding of the words in the box. Then give Ss 2 minutes to complete the sentences with the words in the box. Monitor and support where necessary. When they have finished, elicit sentences from different Ss and check.

2 (T–S, S–T) Ss do Exercise 2 individually. Give them 2 minutes to read the dialogue and choose the correct option. Then play the recording or Video 40 for Ss to listen or watch and check their answers.

3 (T–S, S–T) Ss do Exercise 3 individually. Give them 2 minutes to read and listen or watch Part 2 of the dialogue and answer the questions. Then play the recording or Video 41 for Ss to listen or watch and check their answers.

4 (S–T, T–S) Refer Ss to Exercise 4. Give them 2 minutes to complete the SPEAKING FOCUS with verbs in Part 2 of the dialogue. Do a quick class check. Then go through the SPEAKING FOCUS. Wherever possible, suggest extra or alternative expressions. Drill the expressions as a whole class and with random individuals if necessary.

EXTRA ACTIVITY

Tell Ss that they will hear one side of the dialogue and they need to respond to the utterances as quickly as possible. Play Videos 40A and 40B and then Videos 41A and 41B. This could be done using choral or individual drilling. You can tell Ss to refer to the audioscript to help them.

PRODUCTION | 8–10 minutes

1 (S–S) Refer Ss to Exercise 5. Put them in A/B pairs to prepare a dialogue. Give them 2 minutes to read the instructions and prepare. Tell Ss that they should use expressions from the SPEAKING FOCUS whenever possible in their dialogues. As Ss do this, go round the class monitoring and taking notes of any problems or errors to discuss when giving feedback.

2 (S–S, S–T, T–S) Exercise 6. Tell Ss to practise their dialogues. As Ss interact with each other, walk around taking notes of what you hear. Invite pairs to act out their dialogues in front of the class. Finally, give some feedback based on your notes.

EXTRA ACTIVITY

Ss swap roles and work in new pairs. Follow the same procedure as above. Alternatively, explain to Ss they are going to prepare dialogues similar to the ones in Videos 40 and 41. Explain that the dialogues won't have to be exactly the same, but they will have to use expressions from the SPEAKING FOCUS box. Play Video 40 and then Video 41 again if necessary. Then put Ss in pairs and give them 2 minutes to prepare their dialogues. Monitor and check the language as Ss work. Ss should present their dialogues in front of the class, to make it more engaging.
