LESSON 12

WARM-UP | 5 minutes

(T–S, S–T) Books closed. Write each word from these sentences on a separate piece of card in large letters.

I played my new computer game after I had finished my homework. (12)

I was really hungry all morning because I hadn't had time for breakfast. (13)

By the time I got to the party, my friends had eaten all the cake. (15)

For the first sentence, give twelve Ss one card (i.e. one word) each. Ask this group to come to the front of the class. They must not look at their classmates' words. Ss must hold up their words so that the rest of the class can see them. The class tells the Ss with the word cards in what order to stand, so that their words form a sentence. The Ss holding the cards say their words aloud to find out what sentence they have formed. Repeat with the other two sentences (using thirteen Ss and fifteen Ss).

VOCABULARY AND GRAMMAR | 18–20 minutes

1 (S–S, S–T, T–S) Ss do Exercise 1 individually. Give them 2–3 minutes and then 1 extra minute to check their answers in pairs. Check and drill the pronunciation of the words and elicit the meaning of the incorrect options.

EXTRA ACTIVITY

Ask Ss to write sentences using the options in Exercise 1.

2 (T–S, S–S, S–T) Remind Ss about parts of speech and about how we identify words. Write *construct* on the board. Elicit what kind of word it is (verb) and what the noun and adjective forms of it there are (*construction*, *constructive*). Refer Ss to Exercise 2. Tell them to read the sentences, thinking of what kind of word could go in the gaps. (1 noun, 2 adjective, 3 noun, 4 adjective, 5 noun) Then give Ss 4 minutes to work individually to complete the gaps. Tell them to check their answers in pairs before doing a class check. Make sure to check spelling and check and drill the pronunciation of the words.

EXTRA ACTIVITY

Ask Ss to write their own sentences using different forms of the words in capitals in the exercise.

3 (S–S, T–S, S–T) Ss do Exercise 3 individually. Give them 2–3 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Recheck the rules for the two past tenses and how they are used with conjunctions like *after*, *before* and *by the time*.

4 (S–S, T–S, S–T) Ss do Exercise 4 individually. Give them 3 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Check the tense changes and the use of reporting verbs again.

USE OF ENGLISH | 12–14 minutes

1 (S–S, T–S, S–T) Ss do Exercise 5 individually. Give them 3 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Alternatively, this could be done as an oral drill to involve everyone.

EXTRA ACTIVITY

Put Ss in pairs and ask them to write similar dialogues for both of the incorrect options.

2 (S–S, T–S, S–T) Ss do Exercise 6 individually. Give them 2 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Elicit example sentences with some of the incorrect options.

LESSON 13

LISTENING | 6–8 minutes

(S–S, T–S, S–T) Refer Ss to Exercise 7 and tell them to read through the statements and options to make sure they know what information is asked for. Play the recording twice if necessary. Then ask Ss to check their answers in pairs before doing a class check. Elicit what was said in the recording which helped them choose the correct answers.

SPEAKING | 25 minutes

1 (T–S, S–T) Refer Ss to Exercise 8. Give them 2 minutes to do the matching activity, then check.

2 (S–S, S–T, T–S) Tell Ss to take turns to ask and answer the questions they have matched in Exercise 8. Tell Ss that they can use the phrases from the SPEAKING FOCUS in their dialogues. Encourage them to give reasons and additional information. As Ss interact with each other, walk around taking notes of what you hear. When they have finished, invite Ss to share what their partners said and then give some feedback based on your notes.

3 (S–S, S–T, T–S) Refer Ss to Exercise 9 and ask them to look at the posters. Tell them that in a few minutes they will choose the poster which they think is more suitable for a campaign promoting healthy lifestyle to accompany World Health Day. Tell Ss that they should explain why they chose the poster and why they rejected the other one. Also remind them that they should use the phrases from the SPEAKING FOCUS in their dialogues. Give Ss 1–2 minutes to think and prepare. Then put them in pairs and give them 3 minutes to share their preferences with each other. Tell Ss to justify their answers. As Ss interact with each other, go round the class monitoring and taking notes of any errors to discuss when giving feedback. When they have finished, invite individual Ss to share what their partners said. Then give some feedback based on your notes and finally, hold a class vote for the most suitable poster.

4 (S–S, S–T, T–S) Put Ss in pairs and tell them to look at the questions in Exercise 10. For each question, set a time limit for the pairs to discuss. They should not move onto the next question until you tell them to. As Ss interact with each other, walk around taking notes of what you hear. When the pairs have discussed all four questions, join pairs together in groups of four and tell them to compare their ideas. Give them 3 minutes to do this. When they are ready, invite each group to tell the class what they discussed and whether they agreed or disagreed with one another. Then go over any issues that came up while you were monitoring.

WRITING | 4–5 minutes

(S–S, T–S, S–T) Refer Ss to Exercise 11. Read through the rubric, the writing task and the information Ss should include. Make sure Ss have understood it correctly. Give Ss 1 minute to put the pieces of information in the order they should be presented, then check. (Exercise 12) Tell Ss to write a reader's comment on an Internet forum as homework. Tell Ss to hand in their comments in the next lesson for your evaluation and feedback.
