LESSON 2

WARM-UP | 5–6 minutes

1 (T–S, S–T) Tell Ss to cover Part 1 of a story and look at the photo. Elicit descriptions of the photo. Then tell Ss that Fabrice Muamba is a very lucky footballer and ask them to try and guess what happened to him. Elicit answers from different Ss, but do not confirm their ideas at this stage.

2 (S–T, T–S) Exercise 1. Give Ss 1–2 minutes to read Part 1 of the story to check their predictions and find out what happened to Fabrice Muamba. Elicit the answer and check.

TIP

See Culture notes in TB p. 175 for information about Fabrice Muamba.

PRESENTATION | 14–15 minutes

1 (S–S, S–T, T–S) Refer Ss to Exercise 2. Give them 2 minutes to read the GRAMMAR FOCUS and answer the questions. Elicit the answers and check. Then go through the GRAMMAR FOCUS with the class. Look at the form (*had* + the Past Participle) and explain the rules for the Past Perfect (to refer to an action that happened before a particular point in the past). Also explain that in the Past Perfect we sometimes use time expressions with *by*. Give examples and then ask Ss to come up with some as well.

TIP

It is important for Ss to understand that the Past Perfect is used to refer to the 'earlier past'. When we are talking about two or more consecutive past actions, i.e. actions that happened at the same point in the past, we use the Past Simple, not the Past Perfect. Compare: *When I arrived, he had left.* (He wasn't there when I arrived. *He had left* refers to the earlier past, i.e. the time before *I arrived*.) *When I arrived, he left.* (He was there when I arrived, and then he left. We are referring to the same point in the past – there is no 'earlier past' involved.)

TIP

This structure can cause a number of problems to the Ss. It does not always have an equivalent structure in L1 so Ss may not understand why it is necessary. On the other hand, Ss may overuse it, thinking it is always necessary when there are two past events mentioned in the same sentence. The Past Perfect is normally only necessary when, without it, we would be unable to determine the order of events. In other cases, we use the Past Simple. Correct Ss and try to show them why their choice of structure is wrong.

PRACTICE | 10 minutes

1 (S–S, S–T, T–S) Ss do Exercise 3 individually. Give them 2 minutes to read Part 2 of the story and choose the correct option and then 1 extra minute to check their answers in pairs before doing a class check. Elicit who/what saved Fabrice Muamba's life and check.

2 (S–S, S–T, T–S) Ss do Exercise 4 individually. Give them 2 minutes to decide what happened first in each sentence and then 1 extra minute to check their answers in pairs before doing a class check. Ask Ss what they notice about the verb forms used for the first and second action (the Past Perfect is used for the action that happened first and the Past Simple for the one that happened second).

PRODUCTION | 8 minutes

1 (T–S, S–T) Refer Ss to Exercise 5. Tell them that they will write six Past Perfect sentences about themselves using *By the age of …* and phrases in the box or their own ideas. Read the example aloud and make a few sentences about yourself to give an example for Ss. Then give them 4 minutes to write their own sentences. Monitor and support if necessary.

2 (S–S, S–T, T–S) Exercise 6. Put Ss in pairs and give them 2 minutes to read their sentences in Exercise 5 to each other and find out how similar they are. Monitor while Ss talk and make notes of their performance (accuracy of language, pronunciation and fluency) for feedback or assessment if required. When they have finished, invite different pairs to share how similar they are with the class. Then give some feedback based on your notes.

LESSON 3

WARM-UP | 3–5 minutes

1 (T–S, S–T) Explain to Ss that they are going to watch an animated cartoon which will give them more context for the grammar.

2 (T–S, S–T) Ask Ss a few warm-up questions: *What is Crime Watch? Which room is it? What is it like? What is in the room?* Play Video 37 – Grammar Animation from the Teacher's resources and stop after the introduction (00:19). At this stage Ss should have understood that they are going to watch a winter crime story.

PRESENTATION | 7–8 minutes

1 (T–S, S–T) Ask Ss to watch the clip carefully and answer a few general questions: *Where was the owner of the house? Why did the burglar hide in the balcony? Why was he trapped there? How long did he stay there?* Play the video with the subtitles off.

2 (T–S, S–T) Play the whole video once again, with subtitles. Ask Ss to pay special attention to the Past Perfect.

PRACTICE | 10–12 minutes

1 (T–S, S–T) Explain to Ss that the animation provides more context for the topic of the lesson. Ask them if they can remember any sentences in the Past Perfect from the video. Write them on the board. Do not worry if Ss do not remember all the sentences – use the script to read out the sentences with the target language and put the missing ones on the board. Check the rules for the Past Perfect again.

2 (T–S, S–T) For Ss who still do not understand the Past Perfect, use the teacher's explanation part of Video 37 – Grammar Animation from the Teacher's resources (01:05–02:58). If you feel they are doing well and can list a few examples and provide explanation, then you can omit the teacher's part.

TIP

Play the animation for a third time in weaker groups or if Ss really want to watch it. Then pause after sentences where there is the Past Perfect. Ask Ss to decide why the Past Perfect is used and how the affirmative and negative sentences and questions are formed. Ask them to repeat the sentence, turning the subtitles off, especially where they had some problems with a given example.

Alternatively, go to GRAMMAR REFERENCE AND PRACTICE 8.2 on p. 153 and ask Ss to complete Exercises 1–4 individually. Do a quick class check. This could also be given as homework.

PRODUCTION | 15 minutes

(S–S) Explain to Ss that they are going to prepare similar crime stories. Explain that the stories won't have to be exactly the same, but they will have to use some of the language on the board. Give Ss 4 minutes to prepare their crime stories. Ss should present their stories in front of the class, to make it more engaging.

HOMEWORK

1 Give Ss WB p. 104 as homework.

2 Ask Ss to prepare for a 10–20-minute Grammar Quiz: Assessment Package, Unit 8.2, Grammar.

CONTINGENCY PLAN

Refer to TB p. 104 for extra activities.

TIP

See the lesson plan for Unit 8 Video Worksheets, FOCUS VLOG worksheet, for extra practice of the grammar topic.
