LESSON 4

WARM-UP | 3–4 minutes

(T–S, S–T) Exercise 1. Books closed. Activate Ss' interest in the topic. Ask: *What do you know about Central Park?* Elicit ideas from Ss, but do not confirm answers at this stage. Tell Ss that they will find out the answers later in the lesson.

PRE-LISTENING | 4–5 minutes

(T–S, S–T) Ask Ss to turn to p. 105 and look at Exercise 2. Give them 2 minutes to read *US TODAY* and to try and guess the missing numbers using the ones in the box. When they have finished, ask them to compare their ideas with a partner. Then elicit ideas from Ss, but do not confirm answers at this stage. Elicit from different Ss which fact in the *US TODAY* is the most interesting and have a brief class discussion.

WHILE-LISTENING | 12–14 minutes

1 (T–S, S–T) Exercise 3. Tell Ss that they will listen to the introduction of a podcast about Central Park. Play the recording so that Ss listen and check their ideas in Exercise 2. Then elicit what other things they can do in Central Park. Elicit the answers and check.

TIP

See Culture notes in TB p. 175 for information about Central Park.

2 (S–S, S–T, T–S) Ss do Exercise 4 individually. Before playing the complete podcast, ask Ss to read the questions and options so that they know what they are listening out for. Play the recording and give Ss 1 minute to check their answers in pairs. Then elicit the answers and what was said in the audio that helped them to decide on the answers or that might have made the question difficult to answer.

3 (S–S, T–S, S–T) Ss do Exercise 5 individually. Allow them 30 seconds to read the questions. Then play the recording again so that Ss listen and make notes of the answers. Give Ss 1 extra minute to check their answers in pairs before doing a class check.

POST-LISTENING | 8–9 minutes

1 (T–S, S–T) Refer Ss to Exercise 7. The class repeat the sounds from the recording using choral drilling. Then check pronunciation individually.

2 (T–S, S–T) Refer Ss to Exercise 8. Give them 2 minutes to complete the examples in Exercise 7 with the words in the box. Then they listen and check their answers. Practise the words using choral drilling and individual repetition. Check and drill problem words further.

3 (T–S, S–T) Exercise 9. Refer Ss to WORD STORE 8D p. 17. Give them 1–2 minutes to complete the activity with the nouns in the box. Then Ss listen and check their answers. Practise the words using choral drilling and individual repetition.

PRODUCTION | 6–7 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 6. Tell them that in a few minutes they will talk about the biggest public park near them. Give them 1 minute to think about the questions and make notes. Then put Ss in pairs and give them 2–3 minutes to discuss the questions. Encourage them to use as much vocabulary from the WORD STORE 8D as possible in their discussions. As Ss interact with each other, walk around taking notes of what you hear. Then invite different pairs to share what they have discussed with the class. Finally, give some feedback based on your notes.

HOMEWORK

1 Give Ss WB p. 105 as homework.

2 Ask Ss to make short notes about the causes of air pollution, the health problems it causes and ways to reduce it. They can use the notes to discuss the questions in Exercise 2 on p. 106.

CONTINGENCY PLAN
