LESSON 6

WARM-UP | 3–4 minutes

(T–S, S–T) Books closed. Ask Ss who the oldest person they know is, how active he/she is, what he/she can do on his/her own and what he/she can't, etc. Elicit answers from different Ss and have a brief class discussion.

PRESENTATION | 15–16 minutes

1 (S–S, T–S, S–T) Ask Ss to turn to p. 108, cover the text in Exercise 1 and look at the photo. Elicit from Ss how old they think the man in the photo is. Elicit ideas with reasons why, but do not confirm answers at this stage. Tell Ss that they will find out the answer when they read the text. Give them 2 minutes to read the text and answer the questions in Exercise 1. Ask them to check their answers in pairs before doing a class check. Ask if Ss are surprised.

TIP

See Culture notes in TB p. 175 for information about Stanislaw Kowalski.

2 (S–S, S–T, T–S) Refer Ss to Exercise 2. Give them 2 minutes to compare the Direct Speech 1–6 with the Reported Speech in blue in the text and see what changes there are to the verb forms and pronouns. When they have finished, elicit the answers and check. Ask Ss which things change in Reported Speech (pronouns may have to change depending on who is doing the reporting, the verb may have to change depending on what the tense is).

3 (S–T, T–S) Refer Ss to Exercise 3. Give them 2 minutes to read the GRAMMAR FOCUS and complete the examples. Then go through the GRAMMAR FOCUS with Ss. Elicit the tense change rules using the examples in the text.

TIP

The tense changes required for Reported Speech are not common for all languages. If Ss use this structure with time expressions, these have to change, e.g. *yesterday* becomes *the day before/the previous day*. Try to avoid using them for now. The rules for the Reported Speech are quite complex, so it is important not to expose Ss to too much information at first. In this lesson, Ss learn only four tense/verb changes: Present Simple, Present Continuous, Present Perfect, Past Simple, and two reporting verbs, *say* and *tell*. To help Ss acquire the rules, give them extensive controlled practice and feedback.

4 (T–S, S–T) Refer Ss to the REMEMBER THIS box. Read the examples aloud. Check the reporting verbs. Ask: *Which verb has an object: said or told?* Elicit *told* and the object (*the reporters*), and elicit other examples, e.g. *me*, *you*, *him/her*, *it*, *us*, *them*.

PRACTICE | 12 minutes

1 (S–S, S–T, T–S) Refer Ss to Exercise 4. Read the example aloud. Then give Ss 4 minutes to rewrite the other sentences and use them to complete the text. Tell Ss to write the answers in their notebooks. Monitor and support as Ss work. Then give them 1 extra minute to compare their answers with a partner before doing a class check. Recheck the tense changes and then elicit why the officials didn't believe Dharam.

2 (S–S, T–S, S–T) Ss do Exercise 5 individually. Give them 2 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Recheck the use of reporting verbs.

3 (S–S, T–S, S–T) Ss do Exercise 6 individually. Read the example aloud. Recheck the tense changes. Then give Ss 3 minutes to rewrite the sentences in Exercise 5 in Direct Speech. Tell Ss to write the answers in their notebooks. Monitor and support as they work. Then give them 1 extra minute to compare their answers with a partner before doing a class check. Alternatively, this could be done as an oral drill to involve everyone.

PRODUCTION | 7–8 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 7. Read through the task with the class. Then give them 2 minutes to write five true facts about themselves. Tell them that they can use some of the facts in the box or their own ideas. When they have finished, put them in pairs and ask them to take turns to tell each other what they have written. Monitor and identify problems to discuss when giving feedback. When Ss have finished, give them 2 minutes to report back what their partners told them. As Ss interact with each other, walk around taking notes of what you hear. When they have finished, invite different Ss to report their partner's sentences. Then give some feedback based on your notes.

LESSON 7

WARM-UP | 3–5 minutes

1 (T–S, S–T) Explain to Ss that they are going to watch an animated cartoon which will give them more context for the grammar.

2 (T–S, S–T) Check Ss understand the meaning of the word *warden*. Then ask them a few warm-up questions: *Where is Sarah? What is she going to do? What is she going to ask traffic wardens? What crazy stories do you think traffic warden Angela is going to tell her?* Play Video 39 – Grammar Animation from the Teacher's resources and stop after the introduction (00:27). Elicit answers, but do not confirm them at this stage. Tell Ss that they will find out the answers when they watch the rest of the animated cartoon.

PRESENTATION | 7–8 minutes

1 (T–S, S–T) Ask Ss to watch the clip carefully. Ask Ss if their predictions were right or if they are surprised. Then ask a few general questions: *How many parking tickets has Angela given out? What do people feel about Angela and why? Do you believe the woman who said she had been very long? Why not? Why couldn't the man put money in the meter? Why does Angela think the woman needs new glasses? What was the funniest story for Angela?* Play the video with the subtitles off.

2 (T–S, S–T) Play the whole video once again, with subtitles. Ask Ss to pay special attention to the Reported Speech.

PRACTICE | 10–12 minutes

1 (T–S, S–T) Explain to Ss that the animation provides more context for the topic of the lesson. Ask them if they can remember any Reported Speech sentences from the video. Write them on the board. Do not worry if Ss do not remember all the sentences – use the script to read out the sentences with the target language and put the missing ones on the board. Ask again how tenses change in Reported Speech. Remind Ss that we also need to change the pronouns depending on the context. Then explain which reporting verbs are used while reporting sentences.

2 (T–S, S–T) For Ss who still do not understand how to report statements, use the teacher's explanation part of Video 39 – Grammar Animation (03:02–05:40). If you feel they are doing well and can list a few examples and provide explanation, then you can omit the teacher's part.

TIP

Play the animation for a third time in weaker groups or if Ss really want to watch it. Then pause after each reported sentence. Ask Ss to decide which reporting verb is used and what changes were made. Ask them to repeat the sentence, turning the subtitles off, especially where they had some problems with a given example.

Alternatively, go to GRAMMAR REFERENCE AND PRACTICE 8.5 on p. 154 and ask Ss to complete Exercises 1–5 individually. Do a quick class check. This could also be given as homework.

PRODUCTION | 15 minutes

(S–S) Explain to Ss that they are going to prepare similar dialogues in pairs. Explain that the dialogues won't have to be exactly the same, but they will have to use some of the language on the board. Put Ss in pairs and give them 3 minutes to prepare the dialogue. Ss should present their dialogues in front of the class, to make it more engaging.

HOMEWORK

1 Give Ss WB p. 108 as homework.

2 Ask Ss to prepare for a 10–20-minute Grammar Quiz: Assessment Package, Unit 8.5, Grammar.

CONTINGENCY PLAN

Refer to TB p. 108 for extra activities.
