LESSON 12

WARM-UP | 5 minutes

(S–S) Divide the class in two teams. Invite one S from each team to come to the board. Assign them one vocabulary item from the unit to act out. The Ss' teams should try to guess the word. Alternatively, you could assign two Ss to act out the words at a time. Teams get a point for each word they guess correctly. The team with the most points wins.

VOCABULARY AND GRAMMAR | 25 minutes

1 (T–S, S–S, S–T) Ss do Exercise 1 individually. Give them 3 minutes and then 1 extra minute to check their answers in pairs. Make sure to check spelling and check and drill the pronunciation of the words.

EXTRA ACTIVITY

Ask Ss to write their own sentences using the words in the gaps.

TIP

At this stage, it is more useful to tell Ss to do the activities alone, but to allow them to compare answers with others before giving feedback to avoid weaker Ss being put on the spot.

2 (T–S, S–S, S–T) Remind Ss about parts of speech and how we identify words. Write *polite* and *misery* on the board. Elicit what kind of words they are (adjective, noun) and what other forms there are, e.g. *impolite* (adjective), *miserable* (adjective). Refer Ss to Exercise 2. Tell them to read the sentences, thinking of what kind of word could go in the gaps. *(adjective)* Then give Ss 3 minutes to work individually to complete the sentences. Tell them to check their answers in pairs before doing a class check. Make sure to check spelling and check and drill the pronunciation of the words.

EXTRA ACTIVITY

Ask Ss to write their own sentences using different forms of the words in capitals.

3 (T–S, S–S, S–T) Give Ss 4 minutes to do Exercise 3 individually. Then put them in groups of three or four and give them 2 extra minutes to compare their answers and try to convince each other that they are correct. When groups have agreed on the answers, do a class check.

EXTRA ACTIVITY

Ask questions 1, 2 and 4 to individual Ss.

TIP

Elicit the rules for how to form questions in the Present Simple, Present Continuous and Present Perfect Simple.

4 (T–S, S–S, S–T) Ss do Exercise 4 individually. Give them 4 minutes and then 1 extra minute to check their answers in pairs before doing a class check.

EXTRA ACTIVITY

Ask questions 2 and 6 to individual Ss.

USE OF ENGLISH | 15 minutes

1 (S–T, S–S, T–S) Ss do Exercise 5 individually. Give them 3 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Alternatively, you could use this exercise as an oral drill.

2 (S–S, S–T, T–S) Ss do Exercise 6 individually. Give them 2 minutes and then 1 extra minute to check their answers in pairs before doing a class check.

EXTRA ACTIVITY

Put Ss in pairs and ask them to write similar sentences for both of the incorrect options. Tell them to use words or phrases that are close in meaning to the ones in the remaining options. Then put pairs together in groups of four and tell them to take turns to read out their sentences and find out which words or phrases in each other's sentences are similar in meaning to which option in Exercise 5.

LESSON 13

LISTENING | 6–8 minutes

(S–S, S–T, T–S) Ss do Exercise 7 individually. Tell them that they will listen to a conversation with Tony, who has taken part in an experiment and complete the summary with the missing information.

Before playing the audio, ask Ss to read the summary so that they know what they are listening out for. Play the recording twice if necessary. Give Ss 1 minute to check their answers in pairs and then check with the whole class. Ask some basic comprehension questions to check understanding.

SPEAKING | 10–12 minutes

1 (S–S, T–S) Refer Ss to Exercise 8. Put them in A/B pairs. Allow them time to read through their tasks and check understanding. Elicit the sort of language they will need to do the task. Refer them to SPEAKING FOCUS box on p. 14 and tell them to use the phrases whenever possible. Then ask them to prepare individually, but not to write any notes. Monitor and support where necessary as they do this. When they are ready, give Ss 3 minutes to practise their dialogues. As Ss interact with each other, go round the class monitoring and taking notes of any problems or errors to discuss later. When they have finished, invite volunteer Ss to act out their dialogues in front of the class. Then give some feedback based on your notes.

2 (S–S, S–T, T–S) Refer Ss to Exercise 9 to look at the photo. Give them 1 minute to choose the most suitable words in the box to describe it. When Ss are ready, put them in pairs and tell them to look at the questions. For each question, set a time limit for the pairs to discuss. They should not move onto to the next question until you tell them to. As Ss interact with each other, walk around taking notes of what you hear. When the pairs have discussed all three questions, invite each pair to tell the class what they discussed. Then go over any issues that came up while you were monitoring.

WRITING | 20 minutes

(T–S, S–T) Refer Ss to Exercise 10. Read through the rubric and the writing task with Ss and check understanding. Give Ss 15 minutes to write an email to a friend in the USA. Remind them that they can use the Writing section in Unit 1 to help them. As they do this, walk around monitoring, supporting and taking notes of any problems. When Ss have finished, tell them to self-check their emails before handing them in for your evaluation and feedback.

TIP

Peer evaluation method could be used to improve Ss' writing skills.

HOMEWORK

1 Ask Ss to do Self-check 1.10, WB pp. 16–17, as homework.

2 Ask Ss to prepare for Unit Test 1: Assessment Package, Unit 1.

CONTINGENCY PLAN

Refer to TB pp. 16–17 for extra activities.
