LESSON 2

WARM-UP | 6 minutes

(T–S, S–S, S–T) Give an example of a role model of yours or show a photo of him/her and explain why he/she is your role model. Give as many details as you can. Refer Ss to Exercise 1. Put Ss in pairs and give them 2 minutes to talk about their role models. Then invite pairs to share what they have discussed with the class.

PRESENTATION | 16 minutes

1 (S–S, T–S, S–T) Refer Ss to Exercise 2 and ask them to do the task individually. Tell Ss to check their answers in pairs. Then play the recording once and check the answers.

TIP

See Culture notes in TB p. 171 for information about Leonardo DiCaprio.

EXTRA ACTIVITY

Put Ss in pairs and give them time to practise the dialogue in pairs. Then choose volunteers to role-play the dialogue in front of the class.

2 (S–S, S–T, T–S) Ss do Exercise 3 individually. Give them 2 minutes to complete the examples in the GRAMMAR FOCUS and compare their answers in pairs before doing a class check. Explain that we put an auxiliary verb before the subject of the main verb to make questions. However, when we ask about the subject, we do not use the auxiliary verb, e.g. *Who inspires you? (Who* is the subject of the question*) / Why do you admire him? (you* is the subject of the question). You could also give Ss extra information and explain the position of the preposition in *wh-* questions, e.g. *Which charities does he give money to?*

PRACTICE | 10 minutes

1 (S–S, T–S, S–T) Ss do Exercise 4 individually. Tell them to check their answers in pairs before doing a class check. Play the recording once and check the answers.

TIP

See Culture notes in TB p. 171 for information about Michelle Obama and Barack Obama.

2 (S–S, T–S, S–T) Refer Ss to Exercise 5. Read the example aloud and check understanding. Then ask Ss to do the task individually. Tell them to check their answers in pairs before doing class check.

3 (T–S, S–T) Refer Ss to Exercise 6 and ask them to complete the sentences to make them true for them. Monitor and support where necessary.

PRODUCTION | 6 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 7. Tell them that in a few minutes they will ask and answer questions. Model the activity by reading the example aloud. Tell Ss that they should use present tense *yes/no* and *wh-* question forms. Then give Ss 1–2 minutes to write questions about the information in Exercise 6. Monitor and support as they do this. When Ss are ready, put them in pairs and give them 2 minutes to ask and answer the questions they have written. As Ss interact with each other, walk around taking notes of what you hear. Ask individual Ss to share what their partners said and then give some feedback based on your notes. Alternatively, you could put Ss in groups of four and tell them that they will ask at least 3 questions to another group, e.g. *Do you like sports? / Who enjoys learning languages in your group? / What do you do in your free time?* Give them 2–3 minutes to prepare and when they are ready, put the groups together so that they can ask and answer questions.

LESSON 3

WARM-UP | 3–5 minutes

1 (S–T, T–S) Explain to Ss that they are going to watch an animated cartoon which will give them more context for the grammar.

TIP

Using video in the classroom is one of the most effective ways to engage and motivate Ss as they can see the target language in a visual context and identify with the characters. Also, the target grammar structures in a video context enables Ss to understand them better and remember them longer.

2 (T–S, S–T) Ask Ss a few warm-up questions such as: *Who are the people? Where are they? What are they wearing? How is the flat decorated? What do you think they are going to talk about?* The last question is particularly important as the video focuses on certain party topics. Play Video 2 – Grammar Animation from the Teacher's resources and stop after the introduction (00:10). You can ask Ss what they usually talk about at parties.

TIP

The questions asked in each lesson should revise vocabulary from the unit if possible.

PRESENTATION | 7–8 minutes

1 (T–S, S–T) Ask Ss to watch the clip carefully and answer the following questions: *What's Tim like? Do they like the music? What's the other boy having problems with? Why can't they hear each other?* Play the video with the subtitles off.

2 (S–T, T–S) Play the whole video once again, with subtitles. Ask Ss to pay special attention to the question forms.

PRACTICE | 13–15 minutes

1 (T–S, S–T) Explain to Ss that the animation provides more context for the grammar of the lesson. Ask them if they can remember any questions from the video. Make a list in two columns on the board: one for *yes/no* questions and one for *wh-* questions. Do not worry if Ss do not remember all the questions – use the script to read out the parts with the target language and put the missing questions on the board.

TIP

It is a good idea to elicit some target language from the cartoons and put it on the board; it will serve as prompts for the production exercise at the end.

2 For Ss who still do not understand how to form questions or the difference between subject and object questions, use the teacher's explanation part of Video 2 – Grammar Animation from the Teacher's resources (02:31–05:52). Optionally, if you feel they are doing well and can list a few examples and provide explanation, then you can omit the teacher's part.

TIP

Play the cartoon for a third time in weaker groups or if Ss want to watch it again. Then pause after each question. Ask Ss to say what tense it is in and how it is formed. You can ask them to repeat the questions.

Alternatively, go to GRAMMAR REFERENCE AND PRACTICE 1.2 on p. 132 with Ss. Ask them to complete Exercises 1–4 individually. Do a quick class check. This could also be given as homework.

PRODUCTION | 8–10 minutes

(S–S, S–T, T–S) Explain to Ss they are going to prepare similar dialogues in pairs. Explain that the dialogues won't have to be exactly the same, but they will have to use different question forms. Tell them to use each tense at least once, and to try to include subject questions and questions ending with prepositions. Divide Ss in pairs and give them 2 minutes to prepare their dialogues. Monitor and check the language in the meantime. Ss should present their dialogues in front of the class, to make it more engaging.

TIP

Monitoring is an essential part of the teaching and learning process. It helps you assess how well Ss are coping with tasks. You can then adjust your expectations and approach in subsequent activities, especially while giving feedback. It also gives Ss the chance to ask for help and clarification.

HOMEWORK

1 Give Ss WB p. 6 as homework.

2 Ask Ss to prepare for a 10–20-minute Grammar Quiz: Assessment Package, Unit 1.2, Grammar.

CONTINGENCY PLAN

Refer to TB p. 6 for extra activities.

TIP

See the lesson plan for Unit 1 Video Worksheets, FOCUS VLOG worksheet, for extra practice of the grammar topic.
