LESSON 12

WARM-UP | 5 minutes

(S–S) Elicit ways of starting a story from Ss, e.g. *It was ten o'clock in the morning on 4 July 2003.* Do an open class activity. Ask one student to give the first sentence of a story. Each S in turn has to add a sentence. At regular intervals, recap on the complete story so far and give instructions to Ss to use sequencers, the Past Continuous, etc.

VOCABULARY AND GRAMMAR | 20 minutes

1 (S–S, T–S, S–T) Ss do Exercise 1 individually. Give them 2 minutes and then 1 extra minute to check their answers in pairs before doing a class check.

EXTRA ACTIVITY

Ask Ss to make sentences using the extra verb. *(discover)* Alternatively, ask Ss to find more nouns that go with each of the verbs in the box.

2 (T–S, S–S, S–T) Remind Ss about parts of speech and how we identify words. Write *serve* and *protect* on the board. Elicit what kind of words they are (verbs) and what other forms there are, e.g. *server* (noun), *protective* (adjective). Refer Ss to Exercise 2. Tell them to read the sentences, thinking of what kind of word could go in the gaps. (noun) Then give Ss 2–3 minutes to work individually to complete the gaps. Tell them to check their answers in pairs before doing a class check. Make sure to check spelling and check and drill the pronunciation of the words.

EXTRA ACTIVITY

Elicit different forms of the words in capitals, e.g. *physician, physical, physically, solvent, soluble, unsolved, chemical, conservation, conservative, measurable, immeasurable, exploratory.* Ask Ss to write their own sentences using them.

3 (S–S, T–S, S–T) Ss do Exercise 3 individually. Give them 4 minutes and then 2 extra minutes to check their answers in pairs before doing a class check. Recheck the concept of the two tenses (the Past Simple and the Past Continuous) and elicit reasons why each tense was the most suitable.

TIP

The main difficulty for Ss is knowing when to use each tense and how the same activity can be seen as a long-term activity (the Past Continuous) and a single action (the Past Simple), e.g. *I was cooking dinner. I cooked dinner.* Help by giving lots of practice and correction.

4 (S–S, T–S, S–T) Give Ss 3 minutes to do Exercise 4 individually and then to check their answers in pairs before doing a class check. Elicit the answers with accompanying reasons for choosing between the options. Also elicit the rules for how to use *used to* in positive, negative and question forms.

USE OF ENGLISH | 15 minutes

1 (S–S, S–T, T–S) Give Ss 3 minutes to do Exercise 5 individually and then to check their answers in pairs before doing a class check.

EXTRA ACTIVITY

Put Ss in pairs and ask them to write similar sentences for both of the incorrect options. Tell them to use words or phrases that are similar in meaning to the ones in the options. Then put pairs together in groups of four and tell them to take turns to read out their sentences and find out which words or phrases in each other's sentences are close in meaning to the options in Exercise 5.

2 (S–S, T–S, S–T) Ss do Exercise 6 individually. Give them 3 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Discuss the words and what they mean in each sentence.

EXTRA ACTIVITY

Put Ss in pairs and ask them to write sentences using the incorrect options. Elicit sentences and check.

LESSON 13

READING | 10–11 minutes

(S–S, T–S, S–T) Ss do Exercise 7 individually. Ask them to read the question and options before they read each text. Give Ss 3–4 minutes and 1 extra minute to check their answers in pairs before doing a class check. Ask Ss how they found the correct answers and to justify their answers. Alternatively, you could ask some basic comprehension questions to check understanding of each text.

SPEAKING | 20–22 minutes

1 (S–S, S–T) Refer Ss to Exercise 8. Give them 1 minute to complete the questions and then 1 extra minute to check their answers in pairs before doing a class check. Then give Ss 2 minutes to ask and answer the questions in pairs. When they have finished, invite individual Ss to share what their partners said.

2 (S–S, T–S, S–T) Refer Ss to Exercise 9. Put them in pairs and give them 2 minutes to look at the photo and write five words describing it. Elicit the words and write them on the board.

3 (S–T) Refer Ss to Exercise 10. Tell them that they will answer the questions imagining they are one of the people in the photo. Allow Ss time to think and prepare. When they are ready, invite different Ss to share their ideas with the class. Hold a class vote for the best story.

4 (S–S) Exercise 11. Ask Ss when they last got lost and what happened. Give them 1 minute to prepare. Then ask as many Ss as possible to share their experiences with the class. Alternatively, put Ss in pairs and give them 2–3 minutes to share their experiences with each other. As they do this, walk around monitoring, supporting and taking notes of any problems. Then give some feedback based on your notes.

WRITING | 5 minutes

(T–S, S–T) Refer Ss to Exercise 12. Give them 1 minute to read through the writing task and make sure Ss understood it correctly. Then give Ss 2–3 extra minutes to make some notes to plan their story. As homework, tell Ss to write a story for the Me and Technology section of the school newspaper including the points in the writing task. Remind them that they can use the Writing section in Unit 2 to help them.

HOMEWORK

2 Ask Ss to prepare for Unit Test 2: Assessment Package, Unit 2.

3 Ask Ss to prepare for Review Test 1: Assessment Package, Unit 2.
