LESSON 2

WARM-UP | 5 minutes

1 (T–S, S–S, S–T) Books closed. Write these headings on the board:

Printed books *E-books*

Elicit the difference from Ss. Ask them if they like reading and if they read printed books or e-books. See a show of hands. Then write *Advantages* and *Disadvantages* in two columns under each heading. Put Ss in groups of four and tell half of the groups to write as many advantages and disadvantages of printed books as they can and tell the other half of the groups to write as many advantages and disadvantages of e-books as they can. Give them 2 minutes to do this. When they are ready, elicit ideas and write them on the board.

2 (T–S, S–T) Ask Ss to turn to p. 20 and look at Exercise 1. Tell them to read what people say about e-books and printed books and compare these opinions with the ones on the board.

PRESENTATION | 10–12 minutes

1 (S–S, T–S, S–T) Refer Ss to Exercise 2. Check if Ss understand the meaning of the words *E ink* and *Eureka*. Then give Ss 2 minutes to read the text and answer the questions and then 1 extra minute to check their answers in pairs before doing a class check. Then elicit the answers and check.

TIP

See Culture notes in TB p. 171 for information about Joseph Jacobson.

2 (S–S, T–S, S–T) Refer Ss to Exercise 3. Give them 1 minute to complete the examples in the GRAMMAR FOCUS and then 2 extra minutes to read the examples in pairs and discuss the rules. Then go through the GRAMMAR FOCUS with the class. Explain the rules for when to use which past form. Explain to Ss that the Past Continuous is used to describe an action which was happening at a particular time in the past and that we use the Past Simple and the Past Continuous together, to show that a shorter activity happened while a longer activity was in progress.

TIP

Use time lines to show the difference between the two tenses.

PRACTICE | 13–15 minutes

1 (S–S, T–S, S–T) Refer Ss to Exercise 4. Give them 5 minutes to complete the beginnings of two stories. If Ss are confused, tell them that if the activity takes a long time, it will most likely be continuous. Ss do the exercise individually and check in pairs before doing a class check.

2 (T–S, S–T) Exercise 5. Ask Ss which story they would like to continue reading. See a show of hands. Then elicit reasons for their choices. Have a brief class discussion.

TIP

See Culture notes in TB p. 171 for information about Charles Dickens and Abraham 'Bram' Stoker.

3 (S–S, T–S, S–T) Ss do Exercise 6 individually. Give them 3 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Then Ss tick the sentences that are true for them. Alternatively, this exercise could be done as an oral drill to involve everyone.

PRODUCTION | 8 minutes

1 (S–S, S–T, T–S) Refer Ss to Exercise 7. Put them in pairs and give them 3 minutes to write questions for the sentences in Exercise 6, then check.

2 (S–S, S–T, T–S) Tell Ss to take turns to ask and answer the questions they have written. Tell the pairs that only the Ss asking the questions can have their books open, and that the Ss answering the questions should keep their books closed. Explain that this will help them to listen more carefully. Encourage Ss to give full answers and additional information if possible. Model the activity:
A: *Were your parents studying when they met?*
B: *No, they weren't studying when they met. They met when they were abroad.*
As Ss interact with each other, walk around taking notes of what you hear. Invite Ss to share what their partners said and then give some feedback based on your notes.

LESSON 3

WARM-UP | 3–5 minutes

1 (T–S) Explain to Ss that they are going to watch an animated cartoon which will give them more context for the grammar.

TIP

You can decide to work with the animation at the beginning of the lesson as an introduction, after explaining the grammar point via the dialogue or text on the page or at the end of the lesson.

2 (T–S, S–T) Ask Ss a few warm-up questions: *Who are the people? What are they doing? What time is it? What did Julia do before she called Sue? What do you think will happen next?* Play Video 7 – Grammar Animation from the Teacher's resources and stop after the introduction (00:44).

PRESENTATION | 7–8 minutes

1 (T–S, S–T) Ask Ss to watch the clip carefully and answer the following questions: *What was Julia's neighbour doing at six o'clock? What was Julia doing at 06:15? How did the curtains catch fire? What was Julia doing when her neighbour knocked at the door? Who did her neighbour call when Julia didn't open the door?* Play the video with the subtitles off.

2 (T–S, S–T) Play the whole video once again, with subtitles. Ask Ss to pay special attention to the verb tenses (the Past Simple and the Past Continuous).

PRACTICE | 10–12 minutes

1 (T–S, S–T) Explain to Ss that the animation provides more context for the topic of the lesson. Ask them if they can remember any sentences in these two tenses from the video. Write them in two columns on the board. Do not worry if Ss do not remember all the sentences – use the script to read out the sentences with the target language and put the missing ones on the board. Then discuss the two tenses and what the difference in their meaning is.

2 (T–S, S–T) For Ss who still do not understand the difference between the Past Simple and the Past Continuous, use the teacher's explanation part of Video 7 – Grammar Animation from the Teacher's resources (01:57–04:24). If you feel they are doing well and can list a few examples and provide explanation, then you can omit the teacher's part.

TIP

Play the animation for a third time in weaker groups or if Ss really want to watch it. Then pause after sentences where there are the Past Simple and the Past Continuous tenses. Ask Ss to decide which tense is used in each sentence and why. You can ask them to repeat a sentence, turning the subtitles off, especially where they had problems with a given example.

Alternatively, go to GRAMMAR REFERENCE AND PRACTICE 2.2 on p. 135 and ask Ss to complete Exercises 1–4. Do a quick class check. This could also be given as homework.

PRODUCTION | 15 minutes

(S–S) Explain to Ss that they are going to prepare similar stories in groups. Encourage them to make their stories as interesting as possible. Explain that the will have to use the tenses on the board. Divide Ss in groups of four and give them 10 minutes to write their stories. As they do this, walk around monitoring and supporting where necessary. Ss should present their stories in front of the class, to make it more engaging.

HOMEWORK

1 Give Ss WB p. 20 as homework.

2 Ask Ss to prepare for a 10–20-minute Grammar Quiz: Assessment Package, Unit 2.2, Grammar.

CONTINGENCY PLAN

Refer to TB p. 20 for extra activities.

TIP

See the lesson plan for Unit 2 Video Worksheets, FOCUS VLOG worksheet, for extra practice of the grammar topic.
