LESSON 2

WARM-UP | 3 minutes

(T–S, S–S, S–T) Books closed. Write these headings on the board:

Film *TV series*

Put Ss in groups of four. Give them 2 minutes to think of as many items as they can for each category. When Ss have finished, elicit examples and write them under the headings on the board. Tell Ss that they will look at these lists again later in the lesson.

PRESENTATION | 14–15 minutes

1 (S–S, T–S, S–T) Ask Ss to turn to p. 34 and look at Exercise 1. Give them 2 minutes to do the Quick Culture Quiz and compare their answers with a partner. Then elicit ideas, but do not confirm answers. Play the recording so that Ss listen and check. Then ask Ss if they are surprised and if they have seen/listened to/been to/visited/watched the plays/singers/festivals/museums/films mentioned in the quiz. See a show of hands for each.

TIP

See Culture notes in TB p. 172 for information about William Shakespeare, Mariah Carey, Christina Aguilera, Glastonbury Festival, The Palace Museum, Musée du Louvre, *Harry Potter* and *Pirates of the Caribbean*.

2 (S–S, S–T, T–S) Refer Ss to Exercise 2. Give them 1 minute to complete the GRAMMAR FOCUS and then 2 extra minutes to read the examples in pairs and discuss the rules. Then go through the GRAMMAR FOCUS with the class.

TIP

Ss have probably used comparatives and superlatives before, but *(not) as … as* may be new. Ss may make errors in forming the sentence, e.g. using *so … as* or *so … like*, because of L1 interference and such errors may quickly become fossilised. Listen out for *than* in comparatives, *as* in the structure *as … as* and *the* in superlatives, as well as the adjectives used and correct thoroughly.

3 (S–S, S–T, T–S) Refer Ss to Exercise 3. Give them 2–3 minutes to complete the table and then 1 extra minute to check their answers in pairs before doing a class check. Give more examples for each rule.

PRACTICE | 15–16 minutes

1 (S–S, S–T, T–S) Ss do Exercise 4 individually. Before they start, elicit which word always comes before a superlative *(the)*. Give Ss 2 minutes to complete the questions and check their answers in pairs before doing a class check. Monitor closely to check the accuracy of the target language. Check and drill the questions. Then tell them to discuss the questions in pairs. As they do this, go round the class monitoring and taking notes of any problems or errors to discuss later.

2 (S–S, T–S, S–T) Ss do Exercise 5 individually. Give them 2 minutes to complete the statements and then 1 extra minute to check their answers in pairs. After the class check, discuss the statements as a class.

PRODUCTION | 6–7 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 6. Read through the rubric and the example and check understanding. Then give Ss 3 minutes to write as many sentences as they can, comparing things now with the same things five years ago. Walk around the class monitoring, supporting and taking notes of problems as Ss do the activity. Then elicit Ss' sentences before going over any issues that came up while you were monitoring.

EXTRA ACTIVITY

Tell Ss to look at the lists on the board again. Put them in pairs and tell them to choose films and/or TV series from the lists and write sentences about them using each of the structures in the GRAMMAR FOCUS box.
For example:

The Avengers *is the best superheroes series.*

Stranger Things *is a better TV series than* Glee.

The third Harry Potter *film isn't as good as the first.*

Mission Impossible *a bit more exciting than* Fast and Furious.

Give them 3 minutes to do this. Walk around the class monitoring, supporting and taking notes of problems as Ss do the activity. Then elicit Ss' sentences before going over any issues that came up while you were monitoring.

LESSON 3

WARM-UP | 3–5 minutes

1 (T–S) Explain to Ss that they are going to watch an animated cartoon which will give them more context for the grammar.

2 (T–S, S–T) Ask Ss a few warm-up questions: *Who are the people? Why are they there? What is the name of the programme? What are they going to do now?* Play Video 12 – Grammar Animation from the Teacher's resources and stop after the introduction (00:21). At this stage Ss should have understood that the judges are going to evaluate the holiday photos sent by people and choose the best one.

PRESENTATION | 7–8 minutes

1 (T–S, S–T) Ask Ss to watch the clip carefully and answer the following questions: *What is the prize for the winner? Who are the judges? How many entries did they receive for the competition? Which photo is the winner?*
Play the video with the subtitles off. Then hold a class vote for the happiest, funniest and the most interesting photo and ask Ss to give reasons for their choices.

2 (T–S, S–T) Play the whole video once again, with subtitles. Ask Ss to pay special attention to comparative and superlative adjectives.

PRACTICE | 10–12 minutes

1 (T–S, S–T) Explain to Ss that the animation provides more context for the topic of the lesson. Remind them how we form comparative and superlative adjectives. Also explain that we use *too* and *enough* to show there is a problem with something. Then ask Ss if they can remember any sentences with comparative and superlative adjectives and *too* and *enough* from the video. Elicit answers and write them on the board.
Do not worry if Ss do not remember all the sentences – use the script to read out the sentences with the target language and put more sentences on the board.

2 (T–S, S–T) For Ss who still do not understand when and how to use the target structures, use the teacher's explanation part of Video 12 – Grammar Animation from the Teacher's resources (02:36–05:44). If you feel they are doing well and can list a few examples and provide explanation, then you can omit the teacher's part.

TIP

Play the animation for a third time in weaker groups or if Ss really want to watch it. Then pause after sentences where there is a comparative or superlative adjective or *too* or *enough*. Ask Ss to decide why it is used.
You can ask them to repeat a sentence, turning the subtitles off, especially where they had problems with a given example.

Alternatively, go to GRAMMAR REFERENCE AND PRACTICE 3.2 on p. 138 and ask Ss to complete Exercises 1–4 individually. Do a quick class check. This could also be given as homework.

PRODUCTION | 15 minutes

(S–S) Explain to Ss that they are going to prepare similar dialogues in groups. Explain that the dialogues won't have to be exactly the same, but they will have to use some of the language on the board. Divide Ss in groups of four and let them prepare for the dialogue. Ss should present their dialogues in front of the class, to make it more engaging.

HOMEWORK

1 Give Ss WB p. 34 as homework.

2 Ask Ss to prepare for a 10–20-minute Grammar Quiz: Assessment Package, Unit 3.2, Grammar.

CONTINGENCY PLAN

Refer to TB p. 34 for extra activities.
