LESSON 11

WARM-UP | 5 minutes

(S–S, S–T) Refer Ss to Exercise 1. Put them in pairs and give them 2 minutes to look at the photos and discuss the questions. Then encourage each pair to share what they have discussed with the class.

PRACTICE | 22–24 minutes

1 (S–S, T–S, S–T) Refer Ss to Exercise 2. Read through the adjectives in the box and check that Ss understand the meaning of all of them. Then put Ss in pairs and give them 3 minutes to categorise the adjectives under three headings – describing people / feelings / places, then check.

2 (T–S, S–T) Exercise 3. Tell Ss that they will listen to a description and decide which photo is described. Play the recording once and then elicit ideas from different Ss. Ask them to justify their choice.

3 (S–S, S–T, T–S) Ss do Exercise 4 individually. Give them 3 minutes to complete the description with words and phrases in the SPEAKING FOCUS and then 1 extra minute to compare their answers with a partner. Then play the recording again so that Ss listen and check their answers. Go through SPEAKING FOCUS with the class and make sure Ss understand the phrases which can be used while describing a photo/picture. Wherever possible, suggest alternative phrases to replace the ones given there. Drill the phrases as a whole class and with random individuals if necessary.

EXTRA ACTIVITY

To practise the phrases, tell Ss you are going to find a photo/picture in the book and, from your description, they have to try to find it in the book. As soon as someone does, they should shout out the page number so that other Ss can see it as well. If Ss enjoy this activity, the person who found the picture first can come to the front and take your place, choosing a picture and starting to describe it using the SPEAKING FOCUS box as a model.

4 (S–S, S–T) Refer Ss to Exercise 5. Put Ss in pairs and give them 2–3 minutes to discuss the questions. When they have finished, invite different pairs to share what they have discussed with the class.

5 (S–S) Exercise 6. Put Ss in A/B pairs. Give them 3 minutes to look at Photos A and B and take turns to describe them using phrases from the SPEAKING FOCUS. While Ss do this, go round the class monitoring and taking notes of any problems or errors to discuss when giving feedback.

6 (T–S, S–S, S–T) Exercise 7. Play the recording so that Ss listen to model descriptions of Photos A and B and compare their descriptions. Ask which descriptions were better: theirs or the ones they have listened to. Elicit ideas from Ss with reasons why. Then do Exercise 6 again. When Ss have finished, ask them if their descriptions were better this time.

PRODUCTION | 8–10 minutes

(S–S) Refer Ss to Exercise 8. Tell them that in a few minutes they will take turns to talk about music and art. Read through the instructions with the class and make sure Ss understood them correctly. Tell Ss that they should use phrases from the SPEAKING FOCUS in their descriptions. Put them in A/B pairs and give them 2 minutes to prepare. Remind them to follow the instructions. As Ss do this, walk around taking notes of what you hear. When they have finished, invite individual Ss to present their descriptions in front of the class. Then give some feedback based on your notes. Alternatively, Ss swap roles and follow the same procedure as above.
