OVERVIEW

Duration: 40 minutes

Objectives:
- Can identify key details in a simple recorded dialogue or narrative (P) (GSE 39 – A2+).

Resources:
- SB pp. 39, 140
- WB p. 39

LESSON 8

WARM-UP | 3 minutes

(T–S, S–T) Ask Ss to look at the photos on p. 39 and elicit descriptions of them. Then ask Ss to try and guess where the photos were taken and what people can do in these places. Elicit ideas from different Ss. Ask them which clues in the photos have made them think so and have a brief class discussion.

PRESENTATION | 12–13 minutes

1 (T–S, S–T) Exercise 1. Tell Ss that they will listen to four conversations between people who have just been to the places in the photos. Play the recording so that Ss listen and match the conversations with the photos, then check.

2 (S–S, T–S, S–T) Refer Ss to Exercise 2. Allow them time to read through the sentences. Play the recording once again so that Ss listen and choose the correct option. Then give Ss 1 minute to check their answers in pairs before doing a class check.

3 (S–S, T–S, S–T) Refer Ss to Exercise 3. Give them 3 minutes to read the LANGUAGE FOCUS and complete the sentences. Then put Ss in pairs and give them 3 extra minutes to read the LANGUAGE FOCUS, discuss the rules and check their answers. Do a class check and then go through the LANGUAGE FOCUS with the class. Explain how to use *too* and *enough*. Elicit more examples and write them on the board. Alternatively, go to USE OF ENGLISH REFERENCE AND PRACTICE 3.6 on p. 140 and ask Ss to complete Exercises 1–3 individually. Do a quick class check. This could also be given as homework.

TIP

It takes time for Ss to acquire confidence with quantifiers, as most languages use them in different ways, e.g. they do not distinguish between countable and uncountable nouns or the word order is different. Ss will therefore make mistakes as it is part of the learning process, e.g. *There are ~~too much cars/too many traffics~~ in the streets. I'm not ~~enough paid~~.* It is important to present the language clearly and correct errors at every opportunity.

4 (S–S, S–T) Exercise 4. Put Ss in pairs and give them 2–3 minutes to discuss if they agree or disagree with the statements in Exercise 3. When they have finished, invite pairs to share what they have discussed with the class.

PRACTICE | 10–12 minutes

1 (S–S, T–S, S–T) Ss do Exercise 5 individually. Give them 2 minutes to complete the sentences and then 1 extra minute to check their answers in pairs. Check answers carefully, referring back to the rules and examples in the LANGUAGE FOCUS. Then ask Ss if any of the sentences are true for them. Elicit ideas from different Ss and have a quick class discussion.

2 (S–S, T–S, S–T) Ss do Exercise 6 individually. Read through the rubric with the class and check understanding. Do the first one as an example if necessary. Give Ss 2–3 minutes to complete the sentences and then 1 extra minute to check their answers in pairs before doing a class check.

PRODUCTION | 10 minutes

(S–S, S–T, T–S) Tell Ss to look at the sentences in Exercises 3, 5 and 6 again. Give them 3 minutes to write sentences on a piece of paper using each of the structures in the LANGUAGE FOCUS box. When they are ready, put Ss in pairs and tell them to swap their pieces of paper and rewrite each of the sentences so that their sentence has a similar meaning to their partner's. Give them 3 minutes to do this. Walk around the class monitoring, supporting and taking notes of any problems as Ss do the activity. Then elicit Ss' sentences before going over any issues that came up while you were monitoring.

HOMEWORK

1 Give Ss WB p. 39 as homework.

2 Ask Ss to prepare for a 10–20-minute Use of English Quiz: Assessment Package, Unit 3.6, Use of English.

3 Ask Ss to prepare short notes about the best and the worst birthday present to give a teenager.

CONTINGENCY PLAN

Refer to TB p. 39 for extra activities.
