OVERVIEW

Duration: 40 minutes

Objectives:
- Can follow the main points in a simple audio recording, if provided with written supporting material (P) (GSE 37 – A2+).
- Can identify key details in a simple recorded dialogue or narrative (P) (GSE 39 – A2+).
- Can talk about furniture and rooms using simple language (P) (GSE 32 – A2).

Resources:
- SB p. 49; WORD STORE 4, p. 9
- WB p. 49

LESSON 4

WARM-UP | 3–5 minutes

(T–S, S–T) Ask Ss to look at the photo. Ask them what they can say about the owner's lifestyle, hobbies and interests giving reasons why. Have a brief class discussion.

EXTRA ACTIVITY

Books closed. To recap words from the vocabulary lesson, divide the class in two teams. Choose two Ss to come to the board and sit on chairs facing the class. Write up a word from WORD STORE 4A and 4B on the board so that the class can see it, but the two Ss cannot. The teams have to describe the word without saying it. The first team to correctly guess the word wins a point.

PRE-LISTENING | 5 minutes

(S–S, T–S, S–T) Refer Ss to Exercise 1. Tell them to discuss how different or similar the bedroom in the photo is to their own room considering the size, decoration, furniture and other details. Give them 2 minutes to do this. Monitor and support if necessary. When they have finished, invite volunteers to describe their bedrooms.

WHILE-LISTENING | 15 minutes

1 (S–S, T–S, S–T) Ss do Exercise 2 individually. Before playing the audio, ask them to read the statements so that they know what they are listening out for. Play the recording and give Ss 1 minute to check their answers in pairs before doing a class check.

2 (S–S, T–S, S–T) Ss do Exercise 3 individually. Before playing the audio again, ask them to read statements A–F so that they know what they are listening out for. Play the recording again and give Ss 1 minute to check their answers in pairs before doing a class check.

3 (S–S, S–T) Exercise 4. Put Ss in pairs and give them 2 minutes to discuss which teenager's attitude is most similar to their own. Then invite volunteers to share their ideas with the class.

4 (S–S, S–T) Ss do Exercise 5 individually. Play the recording and then give them 1 minute to check their answers in pairs before doing a class check.

5 (S–S) Refer Ss to Exercise 6. Give them 2 minutes to complete the sentences. Monitor and check. Then play the recording again so that Ss listen and check their answers.

POST-LISTENING | 7–9 minutes

1 (T–S, S–T) Refer Ss to Exercise 8. The class repeats the words from the recording using choral drilling. Then check pronunciation individually. Then Ss listen again and put the words in an appropriate column in the table. Play and pause the recording to give Ss time to write. Do not check at this stage.

2 (T–S, S–T) Exercise 9. Play the recording so that Ss listen and check their answers in Exercise 8. Then check and drill problem words further.

3 (T–S, S–T) Refer Ss to WORD STORE 4D p. 10. Give them 1–2 minutes to complete the activity. Then Ss listen and check their answers. Practise the words using choral drilling and individual repetition.

PRODUCTION | 5–7 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 7. Tell them that they will take turns to describe their room as Daffyd and Karen did in Exercise 4. Give them 1 minute to prepare individually. Then put Ss in pairs and give them 3 minutes to talk about their most treasured possessions and say where they are and where everything is in their room. As Ss interact with each other, walk around taking notes of what you hear. Then ask individual Ss to share what their partners said. Finally, give some feedback based on your notes.

HOMEWORK

1 Give Ss WB p. 49 as homework.

2 Ask Ss to take short notes about unusual houses or places to live that they have read or heard about.

CONTINGENCY PLAN

Refer to TB p. 49 for extra activities.
