OVERVIEW

Duration: 40 minutes

Objectives:
- Can scan short texts to locate specific information (P) (GSE 44 – B1).
- Can understand the main points in simple descriptive texts on familiar topics (P) (GSE 39 – A2+).
- Can suggest pros and cons when discussing a topic, using simple language (P) (GSE 52 – B1+).
- Can give simple reasons to explain preferences, given a model (P) (GSE 35 – A2).
- Can give an extended description of everyday topics (e.g. people, places, experiences) (N2000a) (GSE 38 – A2+).

Resources:
- SB pp. 50–51; WORD STORE 4, p. 9
- WB pp. 50–51

LESSON 5

WARM-UP | 5 minutes

(S–S, T–S, S–T) Tell Ss to cover the texts and look at the photos. Elicit descriptions of each of the places in the photos. Then refer Ss to Exercise 1. Put them in pairs and give them 2 minutes to discuss the questions. When they have finished, invite different pairs to share their ideas about the advantages and disadvantages of living in each place. Then elicit Ss' ideas as to whether they would like to live in any of the places in the photos. Encourage them to give reasons for their ideas and have a quick class discussion. Alternatively, you could lead into the lesson using Ss' notes that they prepared as homework about unusual houses or places.

PRE-READING | 4 minutes

(S–S, T–S, S–T) Refer Ss to Exercise 2. Ss may need access to dictionaries for this activity. Put them in pairs and give them 2 minutes to select the things in the box that they can see in the photos. When they have finished, elicit answers from different Ss and check. Make sure Ss know the meanings of all the words in the box.

WHILE-READING | 12 minutes

1 (S–S, T–S, S–T) Ss do Exercise 3 individually. Give them 5 minutes to read the text and answer the questions and then 1 extra minute to check their answers in pairs before doing a class check. Elicit the answers with relevant information in the text.

2 (S–S, T–S, S–T) Ss do Exercise 4 individually. Give them 3 minutes to read the text again and complete gaps 1–5 with sentences A–F. Ask Ss to check their answers in pairs. Then elicit the answers and check, making sure Ss give reasons for their ideas. Alternatively, you can play the recording of the article and have Ss listen and check their answers on their own. Ask some basic questions to check comprehension of the texts further if necessary.

POST-READING | 12–14 minutes

1 (S–S, S–T, T–S) Ss do Exercise 5 individually. Give them 1 minute to do the matching activity and check their answers in pairs before doing a class check.

2 (T–S, S–T) Exercise 6. Refer Ss to sentences A–F in Exercise 4. Ask them to underline examples of 'clues' in these sentences. Monitor and support where necessary as they do this. Ask Ss if the 'clues' 'add', 'contrast' or 'refer'.

3 (S–S, T–S, S–T) Refer Ss to Exercise 7. Give them 1 minute to complete the phrases and to check their answers in pairs. Then Ss listen and check their answers. Practise the phrases using choral drilling and individual repetition.

4 (S–S, T–S, S–T) Ss do Exercise 8 individually. Encourage them to read around the words in blue in the texts and try to work out the meaning using the context. Give them 2 minutes to complete the questions and to check their answers in pairs. Then do a quick class check. Ask concept check questions to make sure Ss understand the meaning of the phrases. Alternatively, this can be done in the follow-up lesson or given as homework.

EXTRA ACTIVITY

Give Ss 3–4 minutes to make sentences using at least three of the words in blue in the texts. Then ask individual Ss to share their sentences with the class. Correct if necessary and point out what is wrong.

5 (T–S, S–T) Exercise 10. Refer Ss to WORD STORE 4E p. 9. Give them 1–2 minutes to complete the activity with the words in the box. Then play the recording so that Ss listen and check their answers. Practise the collocations using choral drilling and individual repetition. Then allow Ss time to write an example sentence for each collocation in the WORD STORE. When they have finished, elicit sentences from different Ss and check. Alternatively, you can give this as homework.

PRODUCTION | 5–6 minutes

(S–S, S–T, T–S) Exercise 9. Tell Ss that in a few minutes they will ask and answer the questions in Exercise 8. Give them 1 minute to prepare. Then put them in pairs and give them 2–3 minutes to discuss. Encourage them to give additional information and examples. As Ss interact with each other, walk around taking notes of what you hear and then give some feedback based on your notes.

HOMEWORK

1 Give Ss WB pp. 50–51 as homework.

2 Ask Ss to do *Show What You Know* in the WB, p. 52.

CONTINGENCY PLAN

1 Refer to TB p. 50 for extra activities.

2 If you are short of time, some elements of the post-reading can be done in the follow-up lesson or given as homework.
