# LESSON 9

## WARM-UP | 5–6 minutes

(S–S, T–S, S–T) Exercise 1. Books closed. Put Ss in pairs and ask them to list as many British cities as they can think of in sixty seconds. See which pair have the list with the most cities. Then elicit the names of the cities from Ss and write them on the board. See if Bath is among them. If it is not, add it to the list. Give information about it using the Culture notes in TB p. 173.

## PRACTICE | 31–33 minutes

1 (S–S, S–T, T–S) Refer Ss to Exercise 2. Give them 1 minute to speed read the blog about Bath, not worrying about unknown words, and circle the topics the blogger mentions, then check.

### TIP

See Culture notes in TB p. 173 for information about the Sally Lunn Bun and the Roman Baths.

2 (S–S, S–T) Exercise 3. Put Ss in pairs and give them 2 minutes to discuss whether they would like to visit Bath. Encourage them to give reasons for their ideas. When they have finished, invite pairs to share what they have discussed with the class and have a brief class discussion.

3 (S–S, T–S, S–T) Ss do Exercise 4 individually. Give them 2–3 minutes to do the matching activity. Then play the recording so that Ss listen and check their answers. Practise the words and phrases using choral drilling and individual repetition. Ask concept check questions to make sure Ss understand the meaning of the words and phrases.

### EXTRA ACTIVITY

Allow Ss time to make sentences using the words and phrases in purple in the blog. Then ask individual Ss to share their sentences with the class. Correct if any Ss are using the words incorrectly and point out what is wrong.

4 (S–S, S–T, T–S) Refer Ss to Exercise 5. Tell them to complete the examples in the WRITING FOCUS with the underlined words in the blog in Exercise 2. Give Ss 2 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Go through the WRITING FOCUS with the class and make sure Ss understand what information should be included in a blog and the words and phrases which can be used. Wherever possible, suggest alternative words and phrases to replace the ones given there. Drill the words and phrases as a whole class and with random Ss if necessary.

5 (S–S, S–T, T–S) Refer Ss to Exercise 6. Give them 3 minutes to complete the sentences to describe their own town or region. When they have finished, ask Ss to compare their sentences with a partner. Then ask individual Ss to read out their sentences to the class and then give some feedback.

6 (S–S, S–T, T–S) Refer Ss to Exercise 7. Give them 2 minutes to complete the LANGUAGE FOCUS with examples of comma use in the blog in Exercise 2. Then ask Ss to check their answers in pairs. When they are ready, elicit the answers and check. Then go through the LANGUAGE FOCUS with the class. Make sure Ss understand when and how to use a comma. Be prepared to give further examples if necessary or ask Ss to come up with some.

7 (S–S, T–S, S–T) Ss do Exercise 8 individually. Give them 2 minutes to add commas to the text about Lake District. As they do this, walk around monitoring, supporting and taking notes of any problems to discuss when giving feedback. Then ask Ss to check their answers in pairs before doing a class check. Ask some basic comprehension questions to check understanding of the text if necessary.

# LESSON 10

## PRODUCTION | 38 minutes

1 (T–S, S–T) Tell Ss that in a few minutes they will write a blog entry. Refer them to Exercise 9. Read through the writing task with the class and make sure Ss understood it correctly. Then set a time limit for Ss to write an outline of their blog entry. Monitor and support as they do this.

2 (T–S) Give Ss 30 minutes to write a blog entry where they describe their impressions after visiting a well-known tourist destination. Remind Ss to use the WRITING FOCUS and the LANGUAGE FOCUS to help them.

Also, tell them that they can use the blog entry on p. 54 as a model for their writing. As they do this, walk around monitoring, supporting and taking notes of any problems.

3 (S–S) When they have finished writing, tell Ss to self-check their blog entries.

4 (S–S) Then put Ss in pairs and tell them to swap their blog entries. Ss should now check if their partner's blog entry includes all the information and if everything is clear and then they give it back.

5 (S–S) Give Ss another 5 minutes to make changes to their blog entry based on the feedback they got from their partner before handing them in for your evaluation and feedback. Finally, do a class feedback session.

6 (T–S, S–T) Give Ss a model text for Exercise 9 and ask them to compare it with their own. Alternatively, this could be omitted or could be done in a following lesson if you are short of time.

## HOMEWORK

1 Give Ss WB pp. 54–55 as homework.

2 Ask Ss to look at the attractions in Exercise 1 on p. 56 to prepare to discuss them.

## CONTINGENCY PLAN

Refer to TB p. 54 for extra activities.
