LESSON 11

WARM-UP | 5–6 minutes

(S–S, T–S, S–T) Exercise 1. Activate Ss' interest in the topic. Ask: *Is there anyone who wants to leave school early and not go to university*? See a show of hands. Then put Ss in pairs and give them 2 minutes to think of three reasons why some Ss choose to leave school early and not go to university. When they have finished, elicit the reasons and have a brief class discussion.

PRACTICE | 22–24 minutes

1 (S–S, S–T, T–S) Ss do Exercise 2 individually. Ask them to read the statements so that they know what they are listening out for. Then play the recording or Role-play Video 24 from the Teacher's resources. Give Ss 1 extra minute to check their answers in pairs before doing a class check.

2 (T–S, S–T) Refer Ss to Exercise 3. Play the recording or Video 24 again so that Ss can listen and number the expressions in the order they hear them, then check. Then go through the SPEAKING FOCUS and make sure Ss understand the expressions. Wherever possible, suggest alternative expressions to replace the ones given there. Drill the expressions as a whole class and with random individuals if necessary.

EXTRA ACTIVITY

Invite volunteers to act out the dialogue in pairs using the audioscript. Alternatively, tell Ss that they will hear one side of the dialogue and they need to respond to the utterances as quickly as possible. Play Video A and then Video B. This could be done using choral or individual drilling. You can tell Ss to refer to the audioscript to help them.

3 (S–S, T–S, S–T) Ss do Exercise 4 individually. Give them 2 minutes to choose the correct option and then 1 extra minute to check their answers in pairs before doing a class check. Alternatively, this could be done as an oral drill to involve everyone.

4 (S–S) Refer S to Exercise 5. Go through the rubric and the instructions with the class and check understanding. Then put Ss in pairs and give them 2–3 minutes to discuss the subjects in the box following the instructions. As they do this, walk around monitoring and taking notes of any problems for later feedback.

PRODUCTION | 10 minutes

(S–S) Refer Ss to Exercise 6. Read through the rubric and the instructions and make sure Ss understood them correctly. Tell them that in a few minutes they will have a conversation about how their school should spend the money. Then put them in pairs and give them 1 minute to prepare. Tell them that they should use expressions from the SPEAKING FOCUS in their conversations. Remind them to follow the instructions. As Ss do this, walk around taking notes of what you hear. When they have finished, invite pairs to share their ideas with reasons why with the class. Then give some feedback based on your notes.
