FOCUS REVIEW 5 LESSONS 12–13

OVERVIEW

Duration: 40+40 minutes

Objectives:
- To revise the vocabulary and grammar of Unit 5 and give Ss important pre-test practice in reading, speaking and writing skills.

Resources:
- SB pp. 72–73
- TB: Photocopiable Resources 48–49 pp. 210–211, 266–267; Photocopiable Resources 54–55 pp. 211, 272–273; Photocopiable Resource 29 pp. 206–207, 244
- WB pp. 72–73
- Online resources: Extra digital activities, Reading and Use of English

LESSON 12

WARM-UP | 6–8 minutes

(S–S) Put Ss in small groups. Make sure they know the meaning of *supersitition*. Write on the board: *If you break a mirror ...* and elicit possible answer, e.g. *you will get seven years of bad luck*. Tell the groups that they are going to write conditional sentences about superstitions which they can make them up, but they must be belieavable. Also tell Ss they cannot finish with *you will have bad luck* because they need to give more information. Give groups about 4 minutes to write as many sentences as they can. Then each group reads out their superstitions and the rest of the class have to decide whether they are true or not. Probably most of them will not be true, but that does not matter.

VOCABULARY AND GRAMMAR | 18–20 minutes

1 (S–S, T–S, S–T) Ss do Exercise 1 individually. Give them 2 minutes and then 1 extra minute to check their answers in pairs. Elicit the meaning of the incorrect options and ask Ss to make sentences with them.

2 (S–S, T–S, S–T) Ss do Exercise 2 individually. Give them 2 minutes and then 1 extra minute to check their answers in pairs. Make sure to check spelling and check and drill the pronunciation of the words.

EXTRA ACTIVITY

Ask Ss to write their own sentences using the words in the gaps.

3 (S–S, S–T, T–S) Ss do Exercise 3 individually. Give them 2 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Make sure Ss justify their use of forms to confirm that they have understood usage. In particular, Ss may get confused when changing the clause order. Remind them that we can put the *if* clause as the second clause and the tenses will not change, e.g. *He won't pass his exams if he doesn't revise properly.* NOT ~~*He doesn't pass his exams if he won't revise properly.*~~

4 (S–S, T–S, S–T) Ss do Exercise 4 individually. Give them 3 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Make sure Ss justify their answers. Then, as a class, identify the relative pronouns that can be omitted.

USE OF ENGLISH | 12–14 minutes

1 (S–S, T–S, S–T) Ss do Exercise 5 individually. Give them 3 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Elicit example sentences with some of the incorrect options.

2 (S–S, S–T, T–S) Ss do Exercise 6 individually. Give them 4 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Make sure Ss justify their answers. Then ask some basic comprehension questions to check understanding if necessary.

LESSON 13

READING | 8–10 minutes

1 (S–S, T–S, S–T) Refer Ss to Exercise 7. Give them 3 minutes to read the text and do the matching activity and then 1 extra minute to check their answers in pairs before doing a class check. Make sure Ss give justifications for their answers. Then ask some basic comprehension questions to check understanding, e.g. *Why did Door Step School project start? Where were the class at the beginning? How many teachers and students are there now? What has changed since 1988?*

2 (S–S, T–S, S–T) Ss do Exercise 8 individually. Give them 2–3 minutes and then 1 extra minute to check their answers in pairs before doing a class check.

SPEAKING | 10 minutes

1 (S–S, S–T, T–S) Refer Ss to Exercise 9. Read through the speaking task with the class and check understanding. Then give Ss 1 minute to think and prepare. When they are ready, put Ss in pairs and give them 3 minutes to take turns to tell their partner which photo shows the most effective method of learning Science subjects and why they rejected the other option. As they do this, walk around monitoring, supporting and taking notes of any problems. When they have finished, invite individual Ss to share their ideas with the class. Then give some feedback based on your notes.

2 (S–S, S–T, T–S) Refer Ss to Exercise 10. Put them in pairs and give them 2 minutes to discuss the questions. When they have finished, invite different pairs to share what they have discussed with the class and have a brief class discussion.

WRITING | 16–18 minutes

(S–S, T–S, S–T) Refer Ss to Exercise 11. Read through the rubric and the writing task with Ss and check understanding. Then give Ss 15 minutes to write an email to the organisers.

Remind them that they can use the Writing section in Unit 5 to help them. As they do this, walk around monitoring, supporting and taking notes of any problems. When Ss have finished, they hand their emails in for your evaluation and feedback.

HOMEWORK

1 Ask Ss to do Self-check 5.10, WB pp. 72–73, as homework.

2 Ask Ss to prepare for Unit Test 5: Assessment Package, Unit 5.

CONTINGENCY PLAN

Refer to TB p. 72 for extra activities.
