OVERVIEW

Duration: 40 minutes

Objectives:
- Can scan short texts to locate specific information (P) (GSE 44 – B1).
- Can make and respond to suggestions (C) (GSE 41 – A2+).
- Can derive the probable meaning of simple unknown words from short, familiar contexts (Ca) (GSE 46 – B1).

Resources:
- SB pp. 64–65; WORD STORE 5, p. 11
- TB: Culture notes p. 174
- WB pp. 64–65

LESSON 5

WARM-UP | 5 minutes

(S–T, T–S) Refer Ss to Exercise 1 and ask them to look at the photos and the title of the article. Elicit the names of the people in the photos. Then remind Ss of the short notes they made about Michael Phelps, Dr Temple Grandin, Keira Knightley and Richard Branson. Ask them to answer the first question using their notes. Then elicit ideas from different Ss for the other questions in Exercise 1 and have a brief class discussion.

TIP

See Culture notes in TB p. 174 for information about Michael Phelps, Dr Temple Grandin, Keira Knightley and Sir Richard Branson.

WHILE-READING | 12–14 minutes

1 (T–S, S–T) Exercise 2. Give Ss 3 minutes to read quickly through the text and check their ideas in Exercise 1. Alternatively, play the recording of the article and have Ss listen and follow the text. When they have finished, invite one or two Ss to tell the class which of their ideas were right and which were wrong.

2 (S–S, T–S, S–T) Ss do Exercise 3 individually. Give them 5 minutes to read through the text again and do the matching activity. When they have finished, give Ss 1 extra minute to check their answers in pairs before doing a class check.

POST-READING | 12–13 minutes

1 (S–S, S–T, T–S) Ss do Exercise 4 individually. Give them 2–3 minutes to match the words in blue in the text with the definitions. Tell Ss that the phrases in italics can help them understand the meaning of the words in blue in the text. When they have finished, give Ss 1 extra minute to check their answers in pairs before doing a class check. Make sure Ss understand that reading the sentences or phrases around the unknown words in a text helps them work out their meaning using the context.

TIP

Ask concept check questions to make sure Ss understand the meaning of the words in blue.

2 (S–S, S–T) Ss do Exercise 5 individually. Give them 2 minutes to complete the gaps with words in Exercise 4, then check. Ask Ss to complete the sentences with their own ideas. Monitor and support as they do this.

EXTRA ACTIVITY

Give Ss time to make their own sentences using the words or give this as homework.

3 (T–S, S–T) Exercise 7. Refer Ss to WORD STORE 5E p. 11. Give them 1 minute to complete the activity with *of* or *for* and use the underlined words in the text. Then play the recording for Ss to listen and check their answers. Practise the words using choral drilling and individual repetition. Then allow Ss time to write an example sentence with each word in the WORD STORE. When they have finished, elicit sentences from different Ss and check. Alternatively, you can give this as homework.

PRODUCTION | 5–7 minutes

(S–S, S–T, T–S) Exercise 6. Put Ss in pairs. Give them 3 minutes to compare their sentences in Exercise 5 to find out how similar or different they are. Monitor and identify problems as they do this. When Ss have finished, invite pairs to share their similarities and differences with the class. Then give some feedback.

HOMEWORK

1 Give Ss WB pp. 64–65 as homework.

2 Ask Ss to do *Show What You Know* in the WB, p. 66.

CONTINGENCY PLAN

1 Refer to TB p. 64 for extra activities.

2 If you are short of time, some elements of the post -reading can be done in the follow-up lesson or given as homework.
