OVERVIEW

Duration: 40 minutes

Objectives:
- Can make basic inferences from simple information in a short text (P) (GSE 38 – A2+).
- Can skim a short text to identify its main purpose (P) (GSE 45 – B1).
- Can describe someone's personality in a basic way, if guided by prompts (P) (GSE 39 – A2+).
- Can make simple predictions about the future, given a model (P) (GSE 42 – A2+).

Resources:
- SB pp. 78–79; WORD STORE 6, p. 13
- WB pp. 78-79

LESSON 5

WARM-UP | 4 minutes

1 (T–S, S–T) Books closed. To see what Ss know, ask them: *What are you like?* Encourage them to make sentences beginning with *I'm …*, *I'm sometimes …* and *I'm not …* . Elicit answers from different Ss and write appropriate adjectives in a list on the board.

2 (T–S, S–T) Ask Ss to turn to p. 78 and look at the box in Exercise 1. Go through the adjectives in the box with Ss. Look at the list on the board again and add the adjectives that are in the box in Exercise 1 that have not already been put there.

PRE-READING | 6 minutes

(S–S, T–S, S–T) Refer Ss to Exercise 2. Read through the task with the class and check understanding. Then put Ss in pairs and give them 2–3 minutes to follow the instructions. Monitor and support where necessary. When they have finished, invite different pairs to share what they think about each other with the class.

WHILE-READING | 10 minutes

1 (T–S, S–T) Ss do Exercise 3 individually. Give them 2 minutes to read quickly through the text and choose the best title. Alternatively, play the recording of the article and have Ss listen and follow the text. When they are ready, elicit the answer and check. Ask Ss why the other two options are incorrect.

2 (S–S, T–S, S–T) Ss do Exercise 4 individually. Give them 4 minutes to read the article again and do the matching activity. Then give Ss 1 extra minute to check their answers in pairs before doing a class check.

POST-READING | 13–14 minutes

1 (S–S, T–S, S–T) Refer Ss to Exercise 5. Give them 2 minutes to complete the definitions with the words in blue in the text and to check their answers in pairs. Then do a quick class check.

2 (S–S, S–T, T–S) Ss do Exercise 6 individually. Give them 2 minutes to complete the sentences with the compound nouns in Exercise 5 and then 1 extra minute to compare their sentences with a partner. Then elicit the answers and check.

EXTRA ACTIVITY

Give time for Ss to make their own sentences using the compound nouns. Alternatively, this could be done in the follow-up lesson or given as homework.

3 (S–S, S–T) Exercise 7. Give Ss 1 minute to replace the names in Exercise 6 with the names of their classmates. When they are ready, put Ss in pairs and give them 1–2 minutes to compare their sentences with a partner. When they have finished, invite different Ss to share their ideas with the class giving reasons why.

4 (S–T, T–S) Exercise 9. Refer Ss to WORD STORE 6E p. 13. Give Ss 1–2 minutes to complete the activity and mark the stress. Then Ss listen and check their answers. Practise the adjectives using choral drilling and individual repetition.

PRODUCTION | 6–7 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 8. Tell them that in a few minutes they will make predictions about their future life and career five, ten and twenty years from now. Read through the questions with the class. Give them 1 minute to think and prepare. Then put Ss in pairs and give them 3 minutes to discuss. While they do this, monitor, identify problems and take notes. When they have finished, invite individual Ss to share what their partners said. Then give some feedback based on your notes.

HOMEWORK

1 Give Ss WB pp. 78–79 as homework.

2 Ask Ss to do *Show What You Know* in the WB, p. 80.

CONTINGENCY PLAN

Refer to TB p. 78 for extra activities.
