LESSON 2

WARM-UP | 5 minutes

(S–S, T–S, S–T) Refer Ss to Exercise 1. Put them in pairs and give them 3 minutes to discuss the questions. Then encourage each pair to share what they have discussed with the class and have a brief discussion.

PRESENTATION | 10–12 minutes

1 (S–S, T–S, S–T) Ss do Exercise 2 individually. Give them 3 minutes to read the text and answer the question. Then give Ss an extra 1 minute to check their answers in pairs. Elicit the answer and check.

TIP

See Culture notes in TB p. 175 for information about the Fairtrade Foundation.

2 (S–S, S–T, T–S) Refer Ss to Exercise 3. Give them 2 minutes to read the GRAMMAR FOCUS and find all the passive verb forms in the text in Exercise 2. Then go through the GRAMMAR FOCUS with the class. Discuss the rules for when and how to use the Passive. Ask: *Are the sentences in the present or past Passive? Do we know who grows Fairtrade products?* (no) *Is it important?* (no) Write this sentence on the board: *They don't pay farmers enough.* Elicit the tense of the sentence (Present Simple) and rewrite it as: *Farmers are not paid enough.* Explain to Ss that the Passive is formed by using the correct form of the verb *be* + the Past Participle of the main verb and that the object of the active sentence becomes the subject of the passive sentence. Either give some more examples of the Passive and elicit the meaning or ask Ss to come up with some. Then ask: *What do we use if we want to say who did the action?* Write on the board: *People's lives were improved by Fairtrade.* Elicit the preposition *by*. Then write the question form of the sentence on the board: *Are farmers paid enough?* Explain how we form questions in the Passive: correct form of verb *be* + object of the active sentence + the Past Participle of the main verb (+ *by* + subject of the active sentence). Remind Ss that the main verb in the Passive is always in the Past Participle form. Refer Ss to the irregular verbs table on p. 159 and remind them to review the Past Participle forms as often as possible.

TIP

Ss usually find the Passive form easy to understand, but may make mistakes with the form, e.g. *He ~~didn't was~~ arrested. The thief was never ~~catched~~.* They may also use the Passive when the active would be more appropriate, e.g. *The money was stolen by me.* vs *I stole the money.* It is important to check the form and usage of the Passive carefully and provide appropriate practice in natural contexts.

PRACTICE | 12–14 minutes

1 (S–S, T–S, S–T) Ss do Exercise 4 individually. Give them 1 minute to complete the examples in the table using the passive forms in blue in the text in Exercise 2. Then give Ss an extra 1 minute to check their answers in pairs before doing a class check.

2 (S–S, T–S, S–T) Ss do Exercise 5 individually. Give them 2 minutes and then 1 extra minute to check their answers in pairs before doing a class check. Ask Ss to give reasons for their choices.

3 (S–S, T–S, S–T) Ss do Exercise 6 individually. Give them 3 minutes to complete the sentences and then 1 extra minute to check their answers in pairs. Monitor and correct if necessary. Then do a class check.

PRODUCTION | 8–10 minutes

(S–S, T–S) Exercise 7. Give Ss 2 minutes to rewrite the sentences in Exercise 6 to make them true about themselves. Monitor and help if necessary. When they have finished, give Ss 1–2 extra minutes to make questions based on the sentences in Exercise 6. When they are ready, put them in pairs and tell them to take turns to ask and answer the questions they have written. Tell the pairs that only the Ss asking the questions can have their books open, and that the Ss answering the questions should keep their books closed. Explain that this will help them to listen more carefully. Encourage Ss to give additional information in their answers. Model the activity:
A: *Was your house built more than fifty years ago?*
B: *Yes, it was built about seventy years ago.*
My great-grandfather bought it when he was young.
As Ss interact with each other, walk around taking notes of what you hear. When they have finished, invite individual Ss to share what their partners said and then give some feedback based on your notes.

LESSON 3

WARM-UP | 3–5 minutes

1 (T–S) Explain to Ss that they are going to watch an animated cartoon which will give them more context for the grammar.

2 (T–S, S–T) Ask Ss a few warm-up questions: *Who are the people? How old do you think they are? Where are they? What are they doing?* and ask them to describe the first scene. Play Video 31 – Grammar Animation from the Teacher's resources and stop as soon as Ss see the first scene (00:16).

PRESENTATION | 7–8 minutes

1 (T–S, S–T) Check that Ss understand the meaning of *garage sale* (an occasion when people sell things, often in their garage or outside their house, that they no longer want). Ask Ss to watch the clip carefully and answer a few general questions: *How much are the shoes? What are they made of? Why is Zoe selling the jam her aunt made? What does Jack think about Zoe? Is Jack telling the truth to the customer? How much does he get for the sunglasses? Whose are they? Are they actually so cheap?* Then play the video with the subtitles off.

2 (T–S, S–T) Play the whole video once again, with subtitles. Ask Ss to pay special attention to the Passive.

PRACTICE | 10–12 minutes

1 (T–S, S–T) Explain to Ss that the animation provides more context for the topic of the lesson. Ask them if they can remember any sentences in the Passive from the video. Write them on the board. Do not worry if Ss do not remember all the sentences – use the script to read out the sentences with the target language and put the missing ones on the board. Then discuss how the Passive is formed, why and when it is used.

2 (T–S, S–T) For Ss who still do not understand the Passive, use the teacher's explanation part of Video 31 – Grammar Animation from the Teacher's resources (02:24–04:49). If you feel they are doing well and can list a few examples and provide explanation, then you can omit the teacher's part.

TIP

Play the animation for a third time in weaker groups or if Ss really want to watch it. Then pause after passive sentences. Ask Ss to decide why the Passive form is used and which tense the sentence is in. You can ask them to repeat a sentence, turning the subtitles off, especially where they had problems with a given example.

Alternatively, go to GRAMMAR REFERENCE AND PRACTICE 7.2 on p. 150 and ask Ss to complete Exercises 1–5 individually. Do a quick class check. This could also be given as homework.

PRODUCTION | 15 minutes

(S–S) Explain to Ss that they are going to prepare similar dialogues in groups. Explain that the dialogues won't have to be exactly the same, but they will have to use some of the language on the board. Divide Ss in groups of four and give them 3 minutes to prepare for the dialogue. Ss should present their dialogues in front of the class, to make it more engaging.

HOMEWORK

1 Give Ss WB p. 90 as homework.

2 Ask Ss to prepare for a 10–20-minute Grammar Quiz: Assessment Package, Unit 7.2, Grammar.

CONTINGENCY PLAN

Refer to TB p. 90 for extra activities.
