Sample answers and mark schemes

Task 1

Can express opinions and attitudes in a simple way.

Student A and B dialogue

A So let's have a look at the photos. Oh, there are some people playing football on the beach. I don't live near the sea but I really enjoy playing football. I play in the school team every weekend. So, I spend a lot of time doing that.

B Really? That's brilliant. I don't spend any time doing sport. I can't stand it, actually, apart from walking! But I'm really keen on music. I spend a lot of time, well, every day, listening to music. Look – here's a photo of a girl listening to music on the street. I listen to a lot of stuff – rock, classical, but I usually listen at home in my room. How about you? Do you like listening to music?

A Yes, I do, but mainly pop. I play it while I'm reading or playing a computer game. Like the people in these photos – I mean, these teenagers here who are playing computer games. I play games too – but online with my friends. I sometimes stay up a bit too late to finish the game. I spend a lot of time in front of the screen! Are you interested in computer games?

B Yes, but I don't spend a lot of time playing them. This photo here shows one of my favourite hobbies – shopping! If I'm with my friends, we usually go shopping in town. We really like that. Then we come home and watch TV together. I do that every evening.

A Yes, I do too. I enjoy sitting with my family then – we love all the soaps and quiz shows.

B Oh, yes, me too!

Task 2

Can narrate a story.

Student A

I can see a man in a forest. It's a nice day. He is walking up a hill and he is carrying his bike. Maybe his bike broke just before someone took this photo. He's walking on a narrow path and there are lots of trees and plants on each side. It looks difficult to cycle there. Maybe he was cycling along when he suddenly hit a stone and something happened to his wheel. So now he has to walk instead of cycling. Or maybe he wanted to go out for a cycle ride and the hill is too high for him to ride his bike and he's tired. He's wearing a red T-shirt, a helmet and some shorts. I think it's summer – so I hope he's not too hot!

Student B

I can see a man running down the street, but he isn't jogging or doing sport. He's wearing smart clothes so I think he's going to work. He's in a town somewhere and it's a sunny day. In front of him there is a bus. It's just leaving a bus stop ahead of him. He's trying to catch it but I think it's too late. I think that maybe just before this he was having breakfast and now he is going to the office for a meeting. Then he tried to run for the bus, but he was too late! So now he has to walk or wait for the next bus.
