Exercise 10

1 C

Sentence C talks about how everyone is amazed when young people are talented. The following sentence talks about *Amadeus Mozart, who first played a difficult piece of music when he was four.*

2 A

The sentence before the gap says that their father began teaching them music at a very young age. Sentence A proves it – Maria Anna was only seven when she started to play the keyboard. *Her* (Maria's) *three-year-old brother Wolfgang listened and watched.*

3 E

The last paragraph talks about the difficulties they had. Sentence E (about becoming ill) gives another example of problem they had to overcome.
