Can write about experiences, feelings and reactions in a simple connected text.

Sample answer

Thanks for sharing your opinion. In fact, I totally agree with you. Our local park has lost all its beauty recently. Something definitely needs to be done to restore its charm.
The park is dirty and vandalised, and people no longer want to spend their free time there. To make things even worse, I'll tell you what I saw yesterday. Someone had pulled up all the flowers in the gardens, and broken some chairs at the café. There was paint on the café door too. I felt really sad and disappointed when I saw it. I don't understand how anyone could do this.
The police don't know who the vandals are yet. But I think they should ask them to fix the chairs and put some more flowers in the gardens. Hopefully, that will mean they won't do it again, and they will understand that other people really love the park. I believe authorities should take care of this before it's too late.
