UNIT TEST 8

Writing

Name: _____

Class: _____

Total: _____/30

Read part of an article on a local news website. Write a reader's comment for the website.

Newsfocus.com: Daily discussion

Our local park has always been a beautiful place where residents of the town could go to exercise, walk their dogs or just relax. It was perfect for both adults and children. But today it is not somewhere anybody would go for a pleasant Saturday afternoon. The benches are covered in graffiti, the children's playground has been vandalised and there is rubbish everywhere. Why does nobody respect this lovely area of natural beauty any more?
