INTRODUCTION

These short video clips produced by the BBC are authentic and contain natural spoken language. They are an extension of the topics covered in all vocabulary lessons. Each video is accompanied by a Video worksheet and students are prompted to discuss the topics covered in the videos and relate them to their own experiences, improving their critical thinking skills. BBC videos can be used at the beginning or at any other time in the unit. Students can also be asked to watch these videos at home. This allows the teacher to check understanding before the lesson and adjust their lesson plan if students have found the language particularly easy or difficult.

WARM-UP | 5–6 minutes

1 (T–S, S–T) Lead in and create interest in the lesson by asking Ss what they want to study at university. Elicit ideas from different Ss. Then ask where they will stay if they have to leave their family home to study in a different city/country. Elicit the words *dormitory* and *student accomodation*. Check understanding of these words.

2 (S–S, T–S, S–T) Exercise 2. Ask: *What is considered typical student accommodation in your country?* Put Ss in pairs and give them 2 minutes to discuss. When they have finished, elicit ideas from different Ss and have a brief class discussion.

BEFORE YOU WATCH | 11–13 minutes

1 (S–S, T–S, S–T) Refer Ss to Exercise 1. Put them in pairs and give them 2 minutes to do the matching activity. Tell them to use their dictionaries if necessary. When they are ready, elicit the answers and check. Drill the collocations if necessary. Either give some examples with the collocations and elicit meaning or ask Ss to come up with some.

2 (T–S, S–T) Tell Ss that today they are going to watch a video about student accommodation. Ask Ss to look at the photo. Elicit descriptions of the photo. Ask Ss who they think the people are, where they are and what they are doing there and have a brief class discussion.

3 (T–S, S–T) Refer Ss to Exercise 3 and look at the words and phrases in the box. Ask Ss which of the words and phrases they think they will hear in the video and in what context. Elicit ideas from Ss and have a brief class discussion, but do not confirm answers at this stage. Tell Ss that they will find out the answers when they watch the video.

WHILE YOU WATCH | 10–12 minutes

1 (T–S, S–T) Exercise 4. Play the video so that Ss watch and check their ideas in Exercise 3. Elicit what is unusual about student accommodation at Humanitas.

2 (S–S, T–S, S–T) Ss do Exercise 5 individually. Give them 2 minutes to complete the sentences with the numbers in the box and then 1 extra minute to check their answers in pairs. Then play the video again so that Ss watch and check their answers. Ask Ss if the facts surprised them. Elicit ideas with reasons why and have a brief class discussion.

3 (S–S, T–S, S–T) Ss do Exercise 6 individually. Give them 2 minutes to complete the sentences and then 1 extra minute to check their answers in pairs. Then play the video once again so that Ss watch and check their answers.

AFTER YOU WATCH | 7–8 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 7. Tell them that in a few minutes they will discuss their opinions about the advantages and disadvantages of living in this kind of student accommodation. Read through the KEY PHRASES aloud and tell Ss that they should use these phrases to express their ideas. Read the example aloud and give some more examples using the KEY PHRASES. First, give Ss 1 minute to prepare individually. Then put them in pairs and tell them that they must keep talking for about 2–3 minutes. As Ss interact with each other, walk around taking notes of what you hear. When they have finished, invite pairs to share what they have discussed with the class. Then give some feedback based on your notes.
