WARM-UP | 3 minutes

(T–S, S–T) Ask Ss to look at the photo. Elicit descriptions of the photo and ask where they think it was taken and if they have been to such a place before. Elicit ideas from different Ss and have a brief class discussion.

BEFORE YOU WATCH | 10–12 minutes

1 (S–S, T–S, S–T) Ss do Exercise 1 individually. Give them 2 minutes to label the photos and then 1 extra minute to check their answers in pairs before doing a class check. Make sure Ss understand the meaning of the words.

2 (T–S, S–T) Refer Ss to Exercise 2 and look at the adjectives in the box. Ask Ss to decide which adjectives are appropriate to describe the landscape. Elicit ideas from different Ss and check. Ask if they used any of these adjectives while describing the photo in the warm-up section. Make sure Ss understand the meaning of all the adjectives. Practise them using choral drilling and individual repetition if necessary. Then allow Ss time to add more adjectives to the list. When they are ready, elicit adjectives from different Ss and check.

EXTRA ACTIVITY

Give Ss 2–3 minutes to make sentences using the adjectives. Then ask individual Ss to share their sentences with the class. Correct if any Ss are using them incorrectly and point out what is wrong.

WHILE YOU WATCH | 14–15 minutes

1 (T–S, S–T) Exercise 3. Tell Ss that they are going to watch a video about the landscape in the photo and that this place is called Cappadocia, which is in Central Turkey. Ask Ss to watch and check whether they can hear any of the adjectives in Exercise 2 in the clip. Play the video and elicit from Ss the adjectives they could hear and check.

2 (S–S, T–S, S–T) Refer Ss to Exercise 4. Put them in pairs and give them 2–3 minutes to discuss if the sentences are true or false. When they have finished, invite individual Ss to share their ideas with the rest of the class, but do not confirm answers at this stage. Play the first part of the video again (up to 2:00) so that Ss watch and check their ideas.

3 (S–S, T–S, S–T) Refer Ss to Exercise 5. Before playing the rest of the video, allow Ss time to read the questions. After Ss watch the video, put them in pairs and give them 2–3 minutes to discuss the questions. As Ss interact with each other, walk around taking notes of what you hear. When they have finished, invite pairs to share what they have discussed with the class. Then give some feedback based on your notes.

AFTER YOU WATCH | 7–8 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 6. Tell them that in a few minutes they will discuss their anwers to the questions. Read through the KEY PHRASES aloud and tell Ss that they should use these phrases to express their ideas. Read the example aloud and give some more examples using the KEY PHRASES. Next, give Ss 1 minute to prepare individually. Then put them in pairs and tell them that they must keep talking for about 2–3 minutes. As Ss interact with each other, walk around taking notes of what you hear. When they have finished, invite pairs to share what they have discussed with the class. Then give some feedback based on your notes.
