WARM-UP | 10 minutes

1 (S–S, T–S, S–T) Ask Ss to keep their books closed. To see what Ss know, write these headings in four columns on the board:

Type of house *Location* *Inside* *Outside*

Then put Ss in pairs. Tell them to think of as many words as they can for each heading in 2 minutes. When they have finished, ask Ss to tell you their words and write them on the board. Ss should tell you what category they go into as well.

2 (T–S, S–T) Ask Ss to turn to p. 123 and look at Exercise 1. Go through the places in the box with Ss. Look at the list on the board again and add the places that are in the box in Exercise 1 that have not already been put there. Then give Ss 1 minute to put the words in the box under an appropriate heading. When they have finished, do a class check.

PRACTICE | 10 minutes

1 (S–S, T–S, S–T) Ss do Exercise 2 individually. Before playing the video, allow Ss time to read the sentences so that they know what they are watching out for. Then play the video and give Ss 1 extra minute to check their answers in pairs before doing a class check.

2 (S–S, T–S, S–T) Ss do Exercise 3 individually. Play the video again so that Ss watch the interviews and write how long the people lived in the places. Ask them to compare their answers with a partner before doing a class check.

3 (S–S, S–T) Exercise 4. Put Ss in pairs and give them 2 minutes to tell each other what they like about their house or flat and how long they have lived there. When they have finished, invite individual Ss to share what their partners said.

PRODUCTION | 20 minutes

1 (S–S, S–T, T–S) Refer Ss to Exercise 5. Read through the rubric and the things to consider with the class and check understanding. Then put Ss in groups of four and give them 5 minutes to discuss their ideas. Walk around taking notes of what you hear as they do this. When they have finished, invite each group to tell the class what they discussed and whether they agreed or disagreed with one another. Then go over any issues that came up while you were monitoring.

2 (S–S, S–T, T–S) Refer Ss to Exercise 6. Read through the rubric and the example with the class and check understanding. Then put Ss in pairs and give them 2–3 minutes to decide on the top three things to consider when looking for a new house. As Ss interact with each other, walk around taking notes of what you hear. When they are ready, invite individual Ss to share their opinions with the rest of the class. Then give some feedback based on your notes.
