WARM-UP | 4–5 minutes

(S–S, T–S, S–T) Ask Ss to keep their books closed. Create interest in the lesson by writing *school and learning* on the board. Put Ss in pairs and give them 1 minute to think of as many words or phrases related to school and learning as they can. When they have finished, elicit one word/phrase from each pair. As Ss answer, write relevant words/phrases in a list under the heading on the board.

BEFORE YOU WATCH | 5–7 minutes

1 (S–S, T–S, S–T) Ask Ss to turn to p. 124 and look at Exercise 1. Give them 1 minute to tick the words or phrases they associate with school and learning. When they have finished, elicit ideas from different Ss and have a brief class discussion. Then look at the list on the board again and add the words/phrases that are in Exercise 1 that have not already been put there.

2 (S–S, T–S, S–T) Exercise 2. Give Ss 2 minutes to list three of the most important things to them at school. Then give Ss 1 extra minute to compare with a partner. When they have finished, elicit ideas from individual Ss. Encourage Ss to explain their choices. Then have a brief class discussion. Finally, vote for the most important thing at school and then for the least important one.

WHILE YOU WATCH | 18–20 minutes

1 (S–S, S–T, T–S) Ss do Exercise 3 individually. Before playing the video, ask them to read the questions so that they know what they are watching out for. Play the first part of the video (up to 1:38) and then give Ss 1 extra minute to check their answers in pairs before doing a class check.

2 (S–S, T–S, S–T) Refer Ss to Exercise 4. Tell them that in a few minutes they will discuss their opinions about the advantages and disadvantages of the South Korean education system. Tell Ss that they should think about the standard of education and young people's health. Ss work individually for about 1 minute. Then put them in pairs and tell them that they must keep talking for a full 2 minutes. When they have finished, invite pairs to share what they have discussed with the class and have a brief class discussion on the topic.

3 (T–S, S–T) Exercise 5. Play the second part of the video (01:38–03:11) and ask Ss if anybody mentions the ideas they discussed in Exercise 4. Elicit answers from different Ss and check.

4 (S–S, T–S, S–T) Ss do Exercise 6 individually. Give them 2 minutes to do the matching activity and then 1 extra minute to check their answers in pairs before doing a class check. Ask concept check questions to make sure Ss understand the meaning of all the collocations. Practise the collocations using choral drilling and individual repetition.

5 (S–S, T–S, S–T) Ss do Exercise 7 individually. Give them 2 minutes to complete the sentences with the collocations in Exercise 6 in the correct form and then 1 extra minute to check their answers in pairs before doing a class check.

EXTRA ACTIVITY

Give Ss 3 minutes to make their own sentences using at least three of the collocations. Then ask individual Ss to share their sentences with the class. Correct if any Ss are using the words incorrectly and point out what is wrong.

6 (S–S, T–S, S–T) Exercise 8. Tell Ss that they are going to watch the whole video again and mark who says the sentences in Exercise 7. You can tell them to write *M* for Hye Min's mother, *L* for Professor Lee and *P* for the presenter next to the sentences. Play the video and then give Ss 1 extra minute to check their answers in pairs before doing a class check.
