WARM-UP | 6–7 minutes

(S–S, T–S, S–T) Refer Ss to Exercise 1. Put them in pairs and give them 2 minutes to ask and discuss the questions. Monitor and support if necessary as they interact with each other. When they have finished, elicit answers for the first question and have a brief class discussion. Then ask individual Ss to share with the class what their partners answered to questions 2, 3 and 4.

PRACTICE | 20 minutes

1 (S–S, T–S, S–T) Ss do Exercise 2 individually. Allow them 1 minute to read through the questions to make sure they know exactly what to watch out for. Play the video so that Ss watch and do the matching activity. Then give Ss 1 extra minute to check their answers in pairs before doing a class check.

2 (S–S) Refer Ss to Exercise 3. Put them in pairs and give them 2 minutes to discuss and decide if sentences 1–5 are true or false. When they have finished, play the video again so that they watch and check their answers.

3 (T–S, S–T) Refer Ss to Exercise 4. Read through the things to consider in a job with the class. Then give Ss 3 minutes to choose three of them which they consider the most important in a job and make notes of their reasons. When they have finished, elicit ideas from different Ss and have a brief class discussion.

4 (T–S, S–T) Refer Ss to Exercise 5. Give them 2 minutes to read the list in Exercise 4 again and decide which things they are able to do (skills), which things they like doing (passions) and which things they dream of doing (ambitions). When they are ready, elicit ideas from different Ss and have a brief class discussion.

PRODUCTION | 10 minutes

(T–S, S–T) Ask Ss what they know about Europass CV. Elicit ideas, but do not confirm ideas at this stage. Tell Ss that they will find out the answer when they read about it in the box. Refer them to Exercise 6 and give them 2 minutes to read. Then ask Ss to fill in their CV online. If it is not possible to do this in class, give this as homework and ask Ss to write their CV in the notebooks.
