OVERVIEW

Duration: 40 minutes

Objectives:
- To help Ss improve their productive accuracy and expose students to real language they can encounter in their lives.

Resources:
- SB p. 131 Focus Vlog Worksheet
- Online resources: Teacher's resources, Video 38 – FOCUS VLOG *About achievements*

WARM-UP | 3 minutes

(T–S, S–T) Refer Ss to Exercise 1. Tell them to think of a victory. Ask what they achieved, how they prepared, who helped them and how they helped them. Elicit answers from different Ss.

PRACTICE | 7–8 minutes

1 (S–S, T–S, S–T) Ss do Exercise 2 individually. Allow them time to read the sentences so that they know exactly what to watch out for. Then play the video so that Ss watch and do the matching activity. Ask Ss to check their answers in pairs before doing a class check.

2 (S–S, S–T) Exercise 3. Put Ss in pairs and give them 2 minutes to discuss what they had learnt by the time they left primary school. Monitor and help with any vocabulary. When they have finished, invite individual Ss to share what their partners said.

PRODUCTION | 28–30 minutes

(S–S, T–S, S–T) Exercise 4. Remind Ss of the questions they would ask to three adults as homework. Tell them that in a few minutes the will prepare a short presentation about the people they have interviewed. Refer Ss to Exercise 5. Read through the things they should do for each of them and check understanding. Then give Ss 10 minutes to prepare their presentations. Monitor and support where necessary. When they are ready, invite individual Ss to share their presentations with the class. Listen and take notes of problems and errors. Then give some feedback based on your notes.
