LESSON 6

WARM-UP | 8–10 minutes

1 (T–S, S–S, S–T) Before class, prepare a *Find someone who …* worksheet with ten questions. Use verbs from previous lessons, e.g. *Do you watch DVDs?* Make enough copies for all Ss. They mingle and ask/answer the questions. If a S answers yes to a question, the S asking the question writes the name next to that question. He/She then moves on to another person until all the questions are answered or a time limit of 5 minutes is reached. When they have finished, invite Ss to report who does/doesn't do what. Encourage them to make full sentences, e.g. *Nico, Lin, Mia and Mert watch DVDs, but Serkan and Leo don't watch DVDs.*

2 (T–S, S–T) Ask Ss to write three affirmative sentences in the Present Simple, e.g. *They like school. He gets up at 7.15 a.m. I often chat with my friends.* Then explain that Ss will look at these sentences again later.

3 (T–S, S–T) Refer Ss to Exercise 1. Put them in pairs and tell them to look at the photo of Jason and the headline. Elicit his job and check.

TIP

See Culture notes in TB p. 152 for information about vlogs.

PRESENTATION | 13–15 minutes

1 (S–T, T–S) Ss do Exercise 2 individually. Play the recording once for Ss to match the questions with answers. Then tell Ss to check their answers in pairs before the class check. Optionally, ask Ss to practise the dialogue in pairs. Then choose volunteers to role-play the dialogue.

2 (S–T, T–S) Ss do Exercise 3 individually. Give them 1 minute to do the task and then 1 extra minute to check their answers in pairs before doing a class check.

3 (S–T, T–S) As Ss to look at the examples in the GRAMMAR FOCUS box and draw their attention to the auxiliary verbs *do, does, don't* and *doesn't*. Explain how we use these words to form questions and short answers. Elicit when we use *do* (with *I, you, we, they*) and when we use *does* (with *he, she, it*). Write extra examples on the board, e.g. *Do they like school? Yes, they do. No, they don't.* Then ask Ss to look at the sentences they wrote in the warm-up activity. Tell them to use their three sentences to make questions and short answers. Optionally, this could be done by using the teacher's explanation part of Video 3 – Grammar Animation from the Teacher's resources (02:22–04:08).

PRACTICE | 4–5 minutes

(S–S, S–T, T–S) Elicit from Ss the correct word order in Present Simple sentences: *(question word) + do/does + subject + main verb (+ object)*. Refer Ss to Exercise 4. Give them 2–3 minutes to put the words in the correct order to make questions. Tell them to write their answers in their notebooks. Then ask them to check their answers in pairs before doing a class check.

PRODUCTION | 10–12 minutes

1 (S–S, S–T, T–S) Exercise 5. Put Ss in pairs and tell them to ask and answer the questions in Exercise 4. Model the activity by reading the example aloud. Tell the pairs that only the S asking the questions can have their books open, and that the S answering the questions should keep their books closed. Explain that this will help them to listen more carefully. Encourage Ss to give additional information in their answers, e.g. *Do you like parties? Yes, I do. I love dancing. I go to a party every week.* Monitor and help where necessary.

2 (S–S) Ask each S to write one *Do/Does* question. Get a blank piece of paper and crush it up into a ball. Invite one S to ask their question and give them the paper ball so that they can throw it to another S in the class. When the second S has caught the paper ball, they should answer the first S's question using the correct subject and auxiliary verb form. Then the second S has a chance to ask their own question, and they throw the paper ball to a third S. The process continues until all Ss in the class have asked and answered one question or a time limit of 5 minutes is reached.

LESSON 7

WARM-UP | 8–10 minutes

1 (S–T, T–S) Explain to Ss that they are going to watch an animated clip which will give them more context for the grammar. Play Video 3 – Grammar Animation from the Teacher's resources and pause after the introduction (00:29). Ask Ss a few warm-up questions like: *Who are the people? Where are they? What is the name of the programme?* Make sure Ss understand that it is a TV quiz and the competitors will answer questions about each other.

2 (S–T, T–S) Resume the video. Ask Ss to pay special attention to the question forms. Stop at the end of the animated clip (02:21). Then ask Ss if they can remember any questions from the video. Elicit examples and write them in two columns on the board: one for *yes/no* questions and one for *wh-* questions. Do not worry if Ss do not remember all the questions – use the script to read out the sentences with the target language and put the missing questions on the board.

PRESENTATION | 10–12 minutes

1 (T–S, S–T) Tell Ss to look at the *wh-* questions on the board and pay special attention to the question words. Elicit more question words and add them to list, e.g. *whose, where, why, which, how many, how often, what time, what kind*, etc. Make sure they understand their meanings. Write examples on the board using each of them. As an alternative, this could be done by using the teacher's explanation part of the Video 3 – Grammar Animation from the Teacher's resources (04:09–04:45).

2 (T–S, S–T) Write these headings in four columns on the board:

Question word *Auxiliary* *Subject* *Main verb*

Elicit examples of question words and write them in the first column (e.g. *when, where, how, what, why, how often*). Elicit the auxiliary verb forms for the Present Simple and write them in the second column *(do/does)*. Elicit six different subjects and write them in the third column (e.g. *I, you, he, my parents, my best friend, my dog*). Elicit six main verbs and write them in the fourth column (e.g. *go, relax, do, exercise, have, eat*).

3 (T–S, S–T, S–S) Put Ss in pairs and ask them to use the ideas on the board to make six different questions. Explain that three questions must use the auxiliary verb *do*, and three questions must use the auxiliary verb *does*, and that Ss should add their own endings where necessary. When they have finished, invite Ss to read out their six questions, and encourage other Ss in the class to answer them where possible.

PRACTICE | 8–10 minutes

1 (S–S, S–T, T–S) Ss do Exercise 6 individually. Give them 3 minutes to match the questions and answers. Then they listen to check. Do a quick class check. Optionally, this could be done as an oral drill to involve everyone.

2 (S–S, S–T, T–S) Ss do Exercise 7 individually. Give them 2 minutes and then 1 extra minute to check their answers in pairs before doing a class check.

PRODUCTION | 6–8 minutes

(S–S, S–T, T–S) Exercise 8. Put Ss in pairs and tell them to do the *My Life* questionnaire. Model the activity by reading the example aloud. Monitor and help where necessary. As Ss interact with each other, walk around taking notes of what you hear. Ask individual Ss to share what their partners said and then give some feedback based on your notes.

HOMEWORK

1 Give Ss WB p. 18 as homework. Optionally, you can also ask them to do Exercises 1 and 2 in the GRAMMAR FOCUS REFERENCE AND PRACTICE 1.5 section on p. 127 in the SB.

2 Ask Ss to prepare for a 10–20-minute Grammar Quiz: Assessment Package, Unit 1.5, Grammar.

3 Ask Ss to make likes and dislikes lists with films, books, music and sports.

CONTINGENCY PLAN

Refer to TB p. 18 for extra activities.
