LESSON 2

WARM-UP | 7–9 minutes

(T–S, S–T) Books closed. Ask Ss some questions to introduce the topic, e.g. *What food do you like/hate? What's your favourite food? Do you like pizza? Where do you eat pizza? What ingredients can you see on a pizza?* Make sure Ss know the meaning of *ingredient*. Have a brief class discussion.

PRESENTATION 1 | 7 minutes

1 (S–S, S–T, T–S) Refer Ss to Exercise 1. Tell them that for each sentence they should look for information in the text which tells whether the sentences are true or false. Then give Ss 2 minutes to read the text and find the answers and 1 extra minute to check their answers in pairs before the class check.

2 (T–S, S–T) Teach the concept of countable and uncountable. Show a picture of tomatoes, for example. Ask: *How many tomatoes are there?* Elicit the answer, then ask: *Can you count them? Are they singular or plural?* Then do the same with olive oil. Ask: *Can you count olive oil? Is it singular or plural?*

3 (S–S, S–T, T–S) Refer Ss to Exercise 2. Give them 2 minutes to complete GRAMMAR FOCUS 1 and check in pairs before the class check. Discuss which nouns in blue in Exercise 1 are countable and which are uncountable. Recheck the rules – for each of the words, ask: *Can you count it/them? Is it singular or plural?* Remind them that uncountable nouns are always singular.

PRACTICE 1 | 3 minutes

(S–S, S–T, T–S) Exercise 3. Allow Ss time to think of more names of food and add them to the table in GRAMMAR FOCUS 1. Then ask them to compare their lists with a partner. When they are ready, elicit answers and write them on the board under the headings *countable nouns* and *uncountable nouns*.

PRESENTATION 2 | 3 minutes

(S–T, T–S) Refer Ss to Exercise 4. Go through GRAMMAR FOCUS 2 with the class. Explain when to use *some* and *any*. Point out that *any* is used in negative sentences and questions. Ask Ss to circle examples of *some* and *any* in the text in Exercise 1.

PRACTICE 2 | 5 minutes

(S–S, S–T, T–S) Ss do Exercise 5 individually. Give them 3 minutes to complete the conversation and then 1 extra minute to check their answers in pairs before doing a class check. Elicit what Sue and Tom decide to have and the activity. Optionally, model and drill the conversation in open and closed pairs.

PRESENTATION 3 | 5 minutes

(S–T, T–S) Refer Ss to Exercise 6. Go through GRAMMAR FOCUS 3 with the class. Explain when to use *much, many, a lot of, how much* and *how many*. Give Ss 1 minute to complete the questions, then check the answers.

PRACTICE 3 | 5 minutes

(S–S, S–T) Exercise 7. Put Ss in groups of three. Tell them to ask and answer the questions in Exercise 6. Encourage them to give full answers using as many expressions of quantity and as much detail as possible, e.g. *How much tea do you drink a day? I don't drink much tea, but I drink a lot of water.* Give Ss 4 minutes to do this, then invite individual Ss to tell about their partners' answers.

PRODUCTION | 7–8 minutes

(S–S) Refer Ss to Exercise 8. Give them 3 minutes to write about their favourite pizza. Ask Ss to tell what they like on their pizza and not to forget to use expressions of quantity. As they do this, walk around monitoring, supporting and taking notes of any problems to discuss while giving feedback. As an alternative, put Ss in pairs and tell them to swap their descriptions. Give Ss 2 minutes to check each other's writing and return it back. Then give Ss 1 extra minute to make changes to their descriptions based on their partner's feedback. When they have finished, invite Ss to share their descriptions with the class. Finally, give feedback based on your notes.

LESSON 3

WARM-UP | 3–5 minutes

1 (T–S) Explain to Ss that they are going to watch an animated cartoon which will give them more context for the grammar. Optionally, you can decide to work with the animation at the beginning of the lesson as an introduction, after explaining the grammar point via the dialogue or text on the page, or at the end of the lesson.

2 (T–S, S–T) Ask Ss a few warm-up questions like: *Who are the people? What is the mother making for dinner? Who's invited for dinner?* Play Video 8 – Grammar Animation from the Teacher's resources and stop after

the introduction (00:31). Make sure Ss understand that the family have invited Ella's (the daughter's) friend for dinner. Elicit or explain the meaning of *fruitarian*, then ask for examples of what a fruitarian might eat, to revise some food vocabulary.

PRESENTATION | 7–8 minutes

1 (T–S, S–T) Ask Ss to watch the cartoon and answer the questions: *Who's Stewart? Can he eat the vegetable curry / the pancakes? Can they make a salad for Stewart? Where do they have dinner in the end?* You can write the questions on th board. Play the video with the subtitles off.

2 (T–S, S–T) Play the whole video once again, with subtitles. Ask Ss to pay special attention to the food words (countable and uncountable nouns).

PRACTICE | 10–12 minutes

1 (T–S, S–T) Explain to Ss that the clip provides more context for the topic of the lesson. Ask them if they can remember any countable and uncountable nouns from the video. Make a list in two columns on the board. Do not worry if Ss do not remember all the nouns – use the script to read out the sentences with the target language and put more nouns on the board.

2 (T–S, S–T) For Ss who still do not understand the difference between countable and uncountable nouns, use the teacher's explanation part of Video 8 – Grammar Animation from the Teacher's resources (02:11–05:41). Optionally, if you feel the Ss are doing well and can list a few examples and provide explanation, then you can omit the teacher's part.

TIP

You can play the animation for a third time in weaker groups or if Ss really want to watch it. Then pause after sentences where there are countable and uncountable nouns. Ask Ss to decide what patterns are used with each, e.g. *is there* or *are there? much* or *many? some* or *any?* You can ask them to repeat a sentence, turning the subtitles off, especially where they had problems with a given example.

PRODUCTION | 15 minutes

Explain to Ss that they are going to prepare similar dialogues in groups. Explain that the dialogues won't have to be exactly the same, but they will have to use some of the language on the board. Divide Ss in groups of four and let them prepare for the dialogue. Ss should present their dialogues in front of the class, to make it more engaging.

HOMEWORK

1 Give Ss WB p. 26 as homework.

2 Ask Ss to prepare for a 10–20-minute Grammar Quiz: Assessment Package, Unit 2.2, Grammar.

CONTINGENCY PLAN

Refer to TB p. 26 for extra activities.

TIP

For the next class, if you have access to the Internet, find a video clip of someone making a simple recipe. Write five short comprehension questions.

TIP

See the lesson plan for Unit 2 Video Worksheets, FOCUS VLOG worksheet, for extra practice of the grammar topic.
