LESSON 6

WARM-UP | 5 minutes

1 (T–S, S–T) Books closed. Ask Ss some questions to introduce the topic, e.g. *What is your favourite festival? How does your family celebrate it?* Have a brief class discussion.

2 (T–S, S–T) Tell Ss to cover the texts and look at the photos of the three festivals. Ask Ss to describe them and to try and guess what happens in each festival.

PRESENTATION | 10 minutes

1 (S–S, T–S, S–T) Refer Ss to Exercise 1. Give them only 1 minute to read the text and complete the table and then 1 extra minute to check their answers in pairs before doing a class check. Then ask a few general comprehension questions like: *How many people go to the festival? What do they do?*

2 (S–T, T–S) Refer Ss to Exercise 2. Go through GRAMMAR FOCUS with the class. Explain when to use *a/an* and *the* and when not to use any article. Elicit more examples for each rule and write them on the board in three columns. Then ask Ss to underline all the articles in the text in Exercise 1. Discuss which article is used according to which rule.

PRACTICE | 10 minutes

1 (S–S, S–T, T–S) Ss do Exercise 3 individually. Give them 3 minutes to read the text and choose the correct options and then 1 extra minute to check their answers in pairs before doing a class check. Elicit the answers with accompanying rules for choosing between *a/an*, *the* and no article. Then ask a few general comprehension questions like: *Where is the festival? When does it happen? How many people take part? What do they do? How many kilos of oranges do they throw?*

2 (S–S, S–T, T–S) Ss do Exercise 4 individually. Give them 3 minutes to complete the text and check their answers in pairs before doing a class check. Then ask a few general comprehension questions like: *Where is the festival? When does it take place? How many people go? What can they do?*

PRODUCTION | 10–12 minutes

1 (S–S, T–S, S–T) Put Ss in groups of three or four. Tell them to ask and answer the questions in Exercise 5. Give them 3 minutes to do this. Then have a brief class discussion.

2 Draw the table in Exercise 1 on the board. Add two more points: H*ow many people* and *Which activities*. Then ask each group to invent a festival for a specific calendar event, using the table to structure their discussion. When they have completed the table, they should write a short description of their festival. Monitor and provide support if needed.

TIP

You can display these descriptions around the classroom and ask Ss which festivals they would like to attend and why.

LESSON 7

WARM-UP | 3–5 minutes

1 (T–S) Explain to Ss that they are going to watch an animated cartoon which will give them more context for the grammar.

2 (T–S, S–T) Ask Ss a few warm-up questions like: *Who are the people? Where are they? What are they doing? What are they going to talk about?* Play Video 10 – Grammar Animation from the Teacher's resources and stop after Helen asks *Do you know any good restaurants in town?* (00:13). Make sure Ss understand that they are friends and talking about their food and restaurant choices.

PRESENTATION | 7–8 minutes

1 (T–S, S–T) Ask Ss to watch the clip carefully and answer the following questions: *What is the best dessert for Tom? What kind of food does Helen love? Where's the Chinese restaurant? Is it open now? Why not? Who cooks the best food in town?* Play the video with the subtitles off.

2 (T–S, S–T) Play the whole video once again, with subtitles. Ask Ss to pay special attention to the articles (*a/an* and *the*).

PRACTICE | 10–12 minutes

1 (T–S, S–T) Explain to Ss that the animation provides more context for the topic of the lesson and remind them that the lesson is about the articles *a/an* and *the*. Ask them if they can remember any sentences with articles from the video. Make a list in two columns on the board. Do not worry if Ss do not remember all the sentences – use the script to read out the sentences with the target language and put more sentences on the board. Then add a third column under the heading *no article* and write sentences from the video again.

2 (T–S, S–T) For Ss who still do not understand the difference between *a/an*, *the* and no article, use the teacher's explanation part of Video 10 – Grammar Animation from the Teacher's resources (01:45–05:08). Optionally, if you feel they are doing well and can list a few examples and provide explanation, then you can omit the teacher's part.

TIP

You can play the animation for a third time in weaker groups or if Ss really want to watch it. Then pause after sentences where there are nouns. Ask Ss to decide which article is used with each of them (e.g. *a/an* or *the* or *no article)*. You can ask them to repeat a sentence, turning the subtitles off, especially where they had problems with a given example.

As an alternative, go to GRAMMAR FOCUS REFERENCE AND PRACTICE 2.5 on p. 128 and tell Ss to complete Exercises 1 and 2 individually. Do a quick class check. Optionally, this could be given as homework.

PRODUCTION | 15 minutes

Explain to Ss that they are going to prepare similar dialogues in groups. Explain that the dialogues won't have to be exactly the same, but they will have to use some of the language on the board. Divide Ss in groups of four and let them prepare for the dialogue. Ss should present their dialogues in front of the class, to make it more engaging.

HOMEWORK

1 Give Ss WB p. 30 as homework.

2 Ask Ss to prepare for a 10–20-minute Grammar Quiz: Assessment Package, Unit 2.5, Grammar.

CONTINGENCY PLAN

Refer to TB p. 30 for extra activities.
