LESSON 9

WARM-UP | 6–8 minutes

(S–S, T–S, S–T) Write these factors related to work/jobs on the board: *holidays, hours, money, people, place of work*. Put Ss in groups of three or four. Explain to Ss that this exercise is an opportunity for them to express their opinion, and that there are no correct answers. Ask: *What are the most important factors in a job?* Give Ss 2 minutes to number the factors from most to least important (1=very important, 5=not important). When groups have agreed on the answers, elicit ideas with reasons why and have a brief class discussion. Optionally, ask Ss if they can think of any other factors which are important.

PRACTICE | 20–22 minutes

1 (S–S, S–T, T–S) Refer Ss to Exercise 1. Ask them to look at photo A. Give them 2 minutes to read the questions, think about the answers and make notes and then 1 extra minute to compare answers in pairs. Elicit ideas from different Ss and have a brief class discussion.

2 (S–T, T–S) Refer Ss to Exercise 2. Play the recording so that Ss listen to a description of photo A and compare their ideas with what they hear. Elicit ideas from different Ss.

3 (S–S, T–S, S–T) Refer Ss to Exercise 3. Before listening again, tell Ss to read the questions to know exactly what to listen for. Play the recording. Then ask Ss to check their answers in pairs before doing a class check. Elicit which other questions are answered.

4 (T–S, S–T) Refer Ss to Exercise 4. Give them 2 minutes to read the SPEAKING FOCUS individually. Play the recording again so that Ss can listen and underline the phrases they hear, then check. Go through SPEAKING FOCUS with the class and check Ss understand all the phrases which are used while describing a photo/picture. Wherever possible, suggest alternative phrases to replace the ones given there. Drill the phrases as a whole class and with random individual Ss if necessary. As an alternative, to practise the phrases, tell Ss you are going to find a photo/picture in the book and, from your description, they have to try to find the correct one. As soon as someone finds it, they should shout out the page number so that other Ss can see it as well. If Ss are enjoying this activity, the person who found the picture first can come to the front and take your place, choosing a picture and starting to describe it using the SPEAKING FOCUS box as a model.

PRODUCTION | 7–9 minutes

1 (S–S, S–T, T–S) Refer Ss to Exercise 5. Tell them that in a few minutes they will describe photos B and C. Tell Ss that they should use phrases from the SPEAKING FOCUS in their descriptions. Put them in pairs. One of them will talk about Photo B and the other about Photo C. Then give them 1–2 minutes to prepare. Remind them to follow the instructions below the rubric. As Ss do this, walk around taking notes of what you hear. When they have finished, invite individual Ss to give descriptions of the photos in front of the class. Then give some feedback based on your notes. Optionally, Ss change roles and follow the same procedure as above.

2 (T–S, S–T) Exercise 6. Ask Ss if they would like to do the job in their photo and give reasons why. Elicit answers from different Ss. Have a brief class discussion.
