# LESSON 2

## WARM-UP | 5 minutes

1 (S–S) Books closed. Put Ss in pairs and give them 1 minute to write as many adjectives to describe people as they can, e.g. *intelligent, energetic*, etc. Monitor and check. Tell Ss that they will be using them later in the lesson.

2 (S–S, T–S, S–T) Refer Ss to Exercise 1. Put them in pairs and give them 2 minutes to choose one of the people in the photos in Exercise 2 and answer the questions. Then elicit answers from different Ss. Elicit the difference in meaning between the two questions: *What does he/she look like? and What is he/she like?*

## PRESENTATION | 10 minutes

1 (T–S, S–T) Refer Ss to Exercise 2. Give them only 1 minute to read the text and find what is important to Natalie, Martin and Danny. Elicit answers and ask individual Ss who they agree with most and why.

2 (S–S, S–T, T–S) Refer Ss to Exercise 3. Give them 2 minutes to complete the GRAMMAR FOCUS and then 1 extra minute to check their answers in pairs and discuss the rules before doing a class check. Then go through the GRAMMAR FOCUS with the class. Explain when we use the different forms – comparatives to compare two things and superlatives to compare three or more things. Elicit spelling rules for forming comparatives and superlatives. Write sentences on the board if necessary and draw a box around the *-er, -est* endings and around *more/the most* + adjective. Explain that in one-syllable adjectives ending in one consonant preceded by a single vowel, e.g. *hot, big* – we always double the last consonant, e.g. *big – bigger – the biggest*. Elicit from Ss examples of other adjectives with their comparatives and superlatives. Also, elicit what word usually comes after a comparative and what usually comes before a superlative.

As an alternative, go to GRAMMAR FOCUS REFERENCE AND PRACTICE 4.2 on p. 130 and tell Ss to complete Exercises 1 and 2 individually. Do a quick class check. Optionally, this could be given as homework.

## PRACTICE | 15 minutes

1 (S–S, T–S, S–T) Ss do Exercise 4 individually. Give them 2 minutes to complete the sentences individually and to check their answers in pairs before doing a class check.

2 (S–S, T–S) Put Ss in pairs. Give them 1 minute to decide which statements in Exercise 4 are true for their partner. Then refer them to Exercise 5 and go through the example so they understand what to do. Give Ss 2 minutes to ask and answer questions based on the sentences in Exercise 4. Monitor and identify problems to discuss while giving feedback.

3 (T–S, S–S, S–T) Refer Ss to Exercise 6. Give them 1 minute to complete the questions. Do a quick class check. Then give Ss 2 extra minutes to do the quiz and compare their answers with a partner. When they have finished, elicit ideas from Ss, but do not confirm answers at this stage.

4 (T–S, S–T) Exercise 7. Play the recording so that Ss can listen and check their answers to Exercise 6. Then ask Ss if their guesses were correct.

### TIP

See Culture notes in TB p. 154 for information about Selena Gomez, Ariana Grande, Shakira and Joy Leslie Gibson.

5 (S–S, S–T, T–S) Refer Ss to Exercise 8. Give them 1–2 minutes to complete the statements, then check.

## PRODUCTION | 6–8 minutes

(S–S) Read through the example in Exercise 8. Tell Ss that in a few minutes they will ask and answer questions following that example. Give Ss 2 minutes to think of questions for the sentences in Exercise 8. Then put Ss in pairs and tell them to take turns to ask and answer questions. Tell the pairs that only the S asking the questions can have their books open, and that the S answering the questions should keep their books closed. Explain that this will help them to listen more carefully. Encourage Ss to give full answers and additional information if possible. Model the activity:

A: *What is the most expensive thing you have?*

B: *The most expensive thing I have is my bike. Last year my parents bought it for my 10th birthday.*

As Ss interact with each other, walk around taking notes of what you hear. Then invite Ss to tell about their partners' answers and then give some feedback based on your notes.

**EXTRA ACTIVITY**

In pairs Ss look at their lists from the Warm-up activity and use the adjectives to make comparative and superlative sentences about their classmates. Invite pairs to read out their sentences to the class. Optionally, this could be done in the follow-up lesson or given as homework.

## LESSON 3

### WARM-UP | 3–5 minutes

1 (T–S) Explain to Ss that they are going to watch an animated cartoon which will give them more context for the grammar.

2 (T–S, S–T) Ask Ss a few warm-up questions like: *How many people are there? Who are they? Where are they? What are they doing? Do the man and woman know the old lady?* Play Video 17 – Grammar Animation from the Teacher's resources and stop after the introduction (00:14). Elicit or explain the meaning of *candidate*. Make sure Ss understand that the young couple are looking for someone for a job. Then ask: *How many candidates are there? What do you think the candidates are for?* Elicit ideas, but do not confirm answers at this stage. Tell Ss that they will find out the answers when they watch the rest of the animated cartoon.

### PRESENTATION | 7–8 minutes

1 (T–S, S–T) Ask Ss to watch and listen carefully and answer the following questions: *Who are the candidates? Who is the most intelligent of the three candidates? How many languages can she speak? What can't Mr French do? Who is Jenny? Who runs in marathons? Who does the old lady think they are looking for? Who are they actually looking for?* Play the video with the subtitles off. Ask Ss if their predictions were right or if they are surprised.

2 (T–S, S–T) Play the whole video once again, with subtitles. Ask Ss to pay special attention to comprative and superlative adjectives.

### PRACTICE | 10–12 minutes

1 (T–S, S–T) Explain to Ss that the animation provides more context for the topic of the lesson. Explain how we form comparative and superlative adjectives. Then ask Ss if they can remember any sentences with comparative and superlative adjectives from the video. Elicit answers and write them on the board. Do not worry if Ss do not remember all the sentences – use the script to read out the sentences with the target language and put more sentences on the board.

2 (T–S, S–T) For Ss who still do not understand when and how to use comparatives and superlatives, use the teacher's explanation part of Video 17 – Grammar Animation from the Teacher's resources (01:18–04:15). Optionally, if you feel they are doing well and can list a few examples and provide explanation, then you can omit the teacher's part.

**TIP**

You can play the animation for a third time in weaker groups or if Ss really want to watch it. Then pause after sentences where there is a comparative or superlative adjective. Ask Ss to decide why it is used and elicit the spelling rule. You can ask them to repeat a sentence, turning the subtitles off, especially where they had problems with a given example.

### PRODUCTION | 15 minutes

(S–S) Explain to Ss that they are going to prepare similar dialogues in groups. Explain that the dialogues won't have to be exactly the same, but they will have to use some of the language on the board. Divide Ss into groups of three and let them prepare for the dialogue. Ss should present their dialogues in front of the class, to make it more engaging.

### HOMEWORK

1 Give Ss WB p. 50 as homework.

2 Ask Ss to prepare for a 10–20-minute Grammar Quiz: Assessment Package, Unit 4.2, Grammar.

3 Ask Ss to think about what the most important events in people's lives are.

### CONTINGENCY PLAN

Refer to TB p. 50 for extra activities.
