LESSON 4

WARM-UP | 5 minutes

(S–T, T–S) Before Ss open their books, check they understand the meaning of *celebrate* and *celebration*. Brainstorm with Ss important events in life that we celebrate and write them on the board. Then put Ss in groups of four. Ask them to choose one of the important events and prepare to mime the event. When they are ready, invite groups to mime in front of the class. The other Ss guess what the event is and what individual Ss were doing.

PRE-LISTENING | 6–7 minutes

1 (S–S, S–T, T–S) Ask Ss to turn to p. 51 and look at Exercise 1. Put them in pairs and give them 1 minute to label the four life events in the photos with the correct phrases from the box, then check.

2 (T–S, S–T) Refer Ss to Exercise 2. Go through the example with the class. Then, as a class, discuss when the life events in Exercise 1 happen in your country.

WHILE-LISTENING | 15 minutes

1 (S–S, S–T, T–S) Ss do Exercise 3 individually. Play the recording once. Ask Ss to check their answers in pairs before doing a class check.

2 (S–S, S–T, T–S) Ss do Exercise 4 individually. Allow them 1 minute to read through the sentences to make sure they know exactly what to do. Play the recording once again and then give Ss 1 minute to check their answers in pairs before doing a class check.

3 (S–S, S–T, T–S) Ss do Exercise 5 individually. Before playing the audio again, ask them to read the sentences and options so that they know what they are listening out for. Play the recording once again. Give Ss 1 minute to check their answers in pairs, then elicit the answers and what was said in the audio that helped them to decide on the answers or that might have made the question difficult to answer.

POST-LISTENING | 5–6 minutes

1 (T–S, S–T) Refer Ss to Exercise 6. The class repeat the numbers from the recording using choral drilling. Then check pronunciation individually.

TIP

The *teens* and *tens* can be tricky because of difficulties in distinguishing between similar-sounding pairs like 13 and 30, 14 and 40, etc. Write those numbers on the board and as you point to the numbers, exaggerate the pronunciation, emphasizing the *teen* of each number and the unaccented *y* on the *tens*.

2 (S–S, S–T, T–S) Ss do Exercise 7 individually. Play the recording. Then ask Ss to check their answers in pairs before doing a class check.

3 (T–S, S–T) Exercise 8. Refer Ss to WORD STORE 4D p. 9. Give Ss 1 minute to complete the activity with the verbs in Exercise 1. Then Ss listen and check their answers. Practise the collocations using choral drilling and individual repetition.

PRODUCTION | 5–7 minutes

(S–S, S–T, T–S) Exercise 9. Put Ss in pairs. Tell them that in a few minutes they will discuss the most important life event for them. Give Ss 1 minute to prepare. Then tell them that they must keep talking for a full 2 minutes. As they do this, walk around monitoring, supporting and taking notes of any problems. When they have finished, invite Ss to share their ideas and the reasons with the class. Finally, give feedback based on your notes.

HOMEWORK

1 Give Ss WB p. 51 as homework.

2 Ask Ss to think about their favourite items of clothing. Why are they their favourite items? Ss could even bring the items or photos of them on their phones to class.
