LESSON 7

WARM-UP | 5–6 minutes

(S–S, S–T) Books closed. Ask: *What are the most interesting places to go to in your town/area? What places are not very interesting?* Give Ss 1–2 minutes to think of and write their lists. Then, in pairs, Ss talk about the places on their lists and what is interesting/not interesting about them. Elicit and discuss Ss' answers briefly as a class.

PRACTICE | 22–24 minutes

1 (S–S, T–S, S–T) Ask Ss to turn to p. 91 and look at Exercise 1. Put them in pairs and give them 2 minutes to do the matching activity. Then do a class check.

2 (S–S, T–S, S–T) Refer Ss to Exercise 2. Tell them that they will listen to Part 1 of the conversation between Chloe and Jeff and find out what the problem is. Play the recording. Then ask Ss to check their answers in pairs before doing a class check. Elicit the answers and check.

3 (T–S, S–T) Refer Ss to Exercise 3. Give them 2 minutes to read the SPEAKING FOCUS individually. Play the recording again so that Ss can listen and underline the phrases they hear, then check. Go through SPEAKING FOCUS with the class and make sure Ss understand the phrases which can be used while asking for and giving directions. Wherever possible, suggest extra or alternative phrases to replace the ones given there. Drill the phrases as a whole class and with random individuals if necessary. Optionally, you can play the speaking Videos 31 and 32 – Role-play videos from the Teacher's resources so that Ss listen and watch. Or use Role-play Videos A and B. Ss hear one side of the dialogue and have to respond to the utterances as quickly as possible. This could be done using choral or individual drilling.

4 (S–S) Ss do Exercise 4 individually. Give them 3 minutes to complete the directions and then to check their answers in pairs. Then play the recording so that Ss can listen and check their answers.

5 (S–S) Exercise 5. When Ss have finished, put them in pairs and give them 2 minutes to act out the dialogue.

PRODUCTION | 10 minutes

(S–S, T–S) Refer Ss to Exercise 6. Tell them that in a few minutes they will look at the map in the book and take turns to ask for and give directions. Tell Ss that they should use phrases from the SPEAKING FOCUS in their conversations. Put them in pairs and tell them to first decide on a starting point and then the place they want to go to. Demonstrate the activity: ask a S for directions from one place to another. As Ss interact with each other, walk around taking notes of what you hear. Then give some feedback based on your notes. As an alternative, instead of using the map in the book, you can use a map of your own town/city (which you also asked Ss to bring in in the previous lesson) or you can draw a rough map of your area on the board, elicit some well-known meeting places in the area and write them on the map.
