LESSON 5

WARM-UP | 3–4 minutes

(T–S, S–T) Books closed. To introduce the topic of the lesson, ask: *Do you know any weird animals?* Make sure Ss understand the meaning of *weird*. (very strange and unusual) Elicit answers from different Ss and what they know about those animals.

PRE-READING | 2–3 minutes

(T–S, S–T) Ask Ss to turn to p. 100 and look at Exercise 1. Tell Ss to cover the texts and look at the photos A–C. Ask them to try and guess if the statements are true or false. When Ss have finished, elicit ideas, but do not confirm answers at this stage.

WHILE-READING | 10 minutes

1 (T–S, S–T) Exercise 2. Give Ss 2 minutes to read the article quickly and find out if their ideas in Exercise 1 were right. Then do a quick class check.

2 (S–S, T–S, S–T) Ss do Exercise 3 individually. Give them 5 minutes to read the article again and choose the correct answers. Then ask Ss to check their answers in pairs before doing a class check. Elicit answers and the references from the texts. Optionally, play the recording of the article and have Ss listen and follow the text.

TIP

See Culture notes in TB p. 159 for information about Alberta.

POST-READING | 15–16 minutes

1 (S–S, T–S, S–T) Ss do Exercise 4 individually. Encourage them to read around the words in blue in the article and try to work out the meaning using the context. Give them 2 minutes to do the matching activity. Then Ss listen and check their answers. Practise the words using choral drilling and individual repetition.

2 (S–S, S–T, T–S) Ss do Exercise 5 individually. Give them 2 minutes and then 1 extra minute to compare their answers with a partner before doing a class check. Drill the words if necessary. Give some more examples and elicit meaning. As an alternative, allow time for Ss to make sentences using the words in blue in the article. Then ask individual Ss to share their sentences with the class. Correct if any Ss are using the words incorrectly and point out what is wrong.

3 (T–S, S–T) Exercise 6. Refer Ss to WORD STORE 8E p. 17. Give them 2 minutes to complete the activity with the underlined words in the text. Then Ss listen and check their answers. Practise the words using choral drilling and individual repetition.

4 (T–S, S–S, S–T) Refer Ss to Exercise 7. Remind them about parts of speech and about how we identify words. Go through the example with the class. Elicit what kind of word *danger* is (noun) and what the adjective form of it is (dangerous). Tell Ss to read the sentences, thinking of what kind of word could go in the gaps. Then give Ss 2 minutes to work individually to complete the blanks. Tell them to check their answers in pairs before doing a class check. Make sure to check spellings and check and drill the pronunciation of the words. Optionally, ask Ss to write their own sentences using the different forms of the words in capitals.

PRODUCTION | 6–7 minutes

(S–S, S–T, T–S) Tell Ss that in a few minutes they will take turns to ask and answer the questions in Exercise 8. Give them 1 minute to prepare. Then put them in pairs. Encourage them to give as much detail as possible. Monitor as Ss interact with each other, making notes of their performance (accuracy of language, pronunciation and fluency) for later feedback or assessment if required. When they have finished, ask individual Ss to share what their partners said and then give some feedback based on your notes.

2 Ask Ss to do *Show What You Know* in the WB, p. 102.
