OVERVIEW

Duration: 40 minutes

Objectives:
- Can use *can* to refer to ability in the present (GSE 29 – A1).

Resources:
- SB pp. 8, 125
- WB p. 8

LESSON 5

WARM-UP | 3–4 minutes

(T–S, S–T) Tell Ss to cover the exercises and look at the photos in the questionnaire in Exercise 5. Explain that the activities that match the photos are not always obvious. Elicit guesses and then tell Ss to uncover the exercises and look at the words in the box in Exercise 1 so that they can check their guesses. Do a quick class check.

PRACTICE | 25 minutes

1 (T–S, S–T) Demonstrate the meaning of *can/can't* by acting out two examples, e.g. draw something badly on the board, then write the sentence *I can/can't draw.* and ask Ss which alternative is correct. Then say a sentence in English (or other language you know) that contains no errors and write *I can/can't speak English.* for Ss to choose the correct alternative. Then refer Ss to Exercise 2 and play the recording so that Ss listen and tick what John and Mia can do and cross what they can't do.

2 (S–S, T–S, S–T) Ss do Exercise 3 individually. Give them 2 minutes to complete the sentences with *can* or *can't* and then 1 extra minute to check their answers in pairs before doing a class check.

TIP

Drill the pronunciation of *can* and *can't* to show the difference in the vowel sound (/æ/ in *can*, /a:/ in *can't*).

EXTRA ACTIVITY

Divide the class in groups of five or six for charades. Give each S a statement (*You can sing beautifully. You can't play the violin.* and so on) Ss then act out the statement well or badly according to *can/can't*.

3 (S–S, T–S, S–T) Refer Ss to the REMEMBER THIS box in Exercise 4. Go through the examples with the class. Write more examples on the board and make sure Ss understand the use of *can/can't*. Then give Ss 2 minutes to complete the cartoon and check their answers in pairs before doing a class check.

TIP

Go through GRAMMAR FOCUS REFERENCE AND PRACTICE 0.5 on p. 125 with Ss. Tell them to complete Exercise 1 individually. Do a quick class check. This could also be given as homework.

4 (T–S, S–T) Ss do Exercise 5 individually. Give them 2 minutes to complete the questionnaire and answer the questions.

5 (S–S, S–T, T–S) Exercise 6. Put Ss in pairs and give them 3 minutes to ask and answer the questions in the questionnaire. While they do this, monitor, identify problems and take notes. When they have finished, invite individual Ss to share with the class what their partners said. Then give some feedback based on your notes.

PRODUCTION | 10 minutes

1 (T–S, S–T) Refer Ss to Exercise 7. Read through the rubric with the class and make sure Ss understand it. Then give Ss 3 minutes to write 5 questions using the ideas in the box or their own ideas. Monitor and support as they do this.

2 (S–S, T–S, S–T) Refer Ss to Exercise 8. Read through the rubric and the example with the class. Then put Ss in pairs and give them 3 minutes to ask and answer the questions they have written. As Ss interact with each other, go round the class monitoring and taking notes of any problems or errors to discuss later. When they have finished, invite individual Ss to share what their partners said. Then give some feedback based on your notes.
