OVERVIEW

Duration: 40 minutes

Objectives:
- Can use *there* + *be* to express presence/absence (GSE 27 – A1).
- Can use a range of prepositions of place (GSE 30 – A2).

Resources:
- SB pp. 9, 125; WORD STORE 0.6, p. 1
- WB p. 9

LESSON 6

WARM-UP | 3–4 minutes

(S–S, T–S, S–T) To see what Ss know, brainstorm the names of rooms in a house and write them on the board. Then put Ss in pairs and ask them to write as many names of pieces of furniture as they can in 1 minute. When they have finished, elicit words from each pair and write them on the board.

PRACTICE | 20 minutes

1 (S–T, T–S) Exercise 1. Refer Ss to WORD STORE 0.6 p. 1. Go through the words in the box with Ss. Look at the list on the board again and add the words that are in the box in the WORD STORE that have not already been put there. Then give Ss 2 minutes to label the picture with the words in the box. When they have finished, play the recording so that Ss listen and check their answers. Practise the words using choral drilling and individual repetition.

2 (S–S, T–S, S–T) Ss do Exercise 2 individually. Give them 2 minutes to label the pictures with the prepositions in the box and then 1 extra minute to check their answers in pairs before doing a class check.

EXTRA ACTIVITY

You could invite three Ss to the front of the class. Place them in various positions in relation to each other (*behind, next to, between*, etc.) and elicit the prepositions from the class. Make sure to get full sentences, e.g. not *behind*, but *Tom is behind Jude* (for *between*, make sure they give two object nouns: *Jude is between Tom and the table).*

TIP

Go through GRAMMAR FOCUS REFERENCE AND PRACTICE 0.6 on p. 125 with Ss. Tell them to complete Exercises 1 and 2 individually. Do a quick class check. This could also be given as homework.

3 (T–S, S–T) Refer Ss to Exercise 3. Give them 2 minutes to read the text. When they are ready, ask Ss if people can live in this house. Elicit ideas from individual Ss with reasons why and have a brief class discussion.

4 (T–S, S–T) Refer Ss to the REMEMBER THIS box in Exercise 4. Go through the examples with the class. Elicit more examples with *There's a*, e.g. *There's a mobile phone on the desk. / There's a jacket on the chair.* Point out that *'s* is a contracted form of *is*. Then give Ss time to complete the cartoon. Do a class check.

5 (S–S, S–T, T–S) Ss do Exercise 5 individually. Give them 2 minutes and then 1 extra minute to check their answers in pairs before doing a class check. After that, give Ss 3 minutes to draw the room. Monitor and support as they do this. As a model, draw the room on the board.

PRODUCTION | 15 minutes

1 (S–S, S–T) Refer Ss to Exercise 6. Read through the rubric and the instructions with the class and make sure Ss understood them correctly. Then give Ss 2–3 minutes to draw a picture of their bedroom. When they are ready, put Ss in pairs and give them 5–6 minutes to follow the remaining instructions. As Ss do this, go round the class monitoring and taking notes of any problems or errors to discuss when giving feedback.

2 (S–S, T–S) Refer Ss to Exercise 7. Read through the rubric and the example with the class and make sure Ss understood them correctly. Then give Ss 3 minutes to write four true and one false sentence about their flat or house. When they are ready, put Ss in pairs and give them 3 extra minutes to take turns to read their sentences to each other and guess which sentence is false. As they do this, walk around monitoring, supporting and taking notes of any problems. Then give some feedback based on your notes.
