Writing

You have an English penfriend who you write to regularly to practise your English. Write an email to your penfriend about places you travel to and the transport you use.

In your email:

1 Explain where you travel to in a typical week.
2 Write about what you do there.
3 Say how you get to these places and how long it takes.
4 Write about what you like and don't like about the different types of travel.

You can use this space for notes.
