OVERVIEW

Duration: 40 minutes

Objectives:
- To help Ss improve their productive accuracy and expose students to real language they can encounter in their lives.

Resources:
- SB p. 113 Focus Vlog Worksheet
- Online resources: Video 15 – FOCUS VLOG *A typical day*

WARM-UP | 5 minutes

(S–S, S–T) Refer Ss to Exercise 1. Put them in pairs and give them 2 minutes to ask and answer the questions. As Ss interact with each other, walk around monitoring, supporting and taking notes of any problems. When they have finished, ask individual Ss to share what their partners said.

PRACTICE | 15–16 minutes

1 (S–S, T–S, S–T) Ss do Exercise 2 individually. Allow them 1 minute to read through the questions to make sure they know exactly what to watch out for. Play the first part of the video and then give Ss 1 minute to check their answers in pairs before doing a class check.

2 (S–S, T–S, S–T) Ss do Exercise 3 individually. Play the second part of the video so that Ss watch and complete the sentences. Ask Ss to check their answers in pairs before doing a class check.

3 (S–S, T–S, S–T) Ss do Exercise 4 individually. Before playing the rest of the video, ask them to read the sentences so that they know what they are watching out for. When Ss have finished, ask them to check their answers in pairs and then do a class check.

PRODUCTION | 15–17 minutes

1 (T–S, S–T) Refer Ss to Exercise 5. Read through the rubric and the information with the class and check understanding. Describe what you do on a typical day as an example. Then give Ss 1–2 minutes to prepare. When they are ready, invite individual Ss to describe their typical day to the class. Listen and take notes of any problems or errors. Then give some feedback based on your notes.

2 (T–S, S–T) Refer Ss to Exercise 6. Read through the rubric with the class and make sure Ss understand it correctly. Describe the day of your dreams as an example. Then give Ss 1–2 minutes to prepare. When they are ready, invite individual Ss to describe the day of their dreams to the class. Listen and take notes of any problems or errors. Then give some feedback based on your notes.

3 (T–S, S–T) Refer Ss to Exercise 7. Read through the rubric with the class and make sure Ss understand it correctly. Then give them 5 minutes to write a comparison between their typical day and the day of their dreams. Monitor and support as they do this. Then as homework, ask Ss to make a video for Jason's vlog with their description.
