OVERVIEW

Duration: 40 minutes

Objectives:
- To help Ss improve their productive accuracy and expose students to real language they can encounter in their lives.

Resources:
- SB p. 121 Focus Vlog Worksheet
- Online resources: Video 30 – FOCUS VLOG *Amazing places*

WARM-UP | 5 minutes

(S–S, S–T) Refer Ss to Exercise 1. Tell them that in a few minutes they will discuss their opinions about amazing places. Give Ss 1 minute to prepare individually. Then put them in pairs and tell them that they must keep talking for about 2–3 minutes. As Ss interact with each other, walk around monitoring, supporting and taking notes of any problems. When they have finished, ask individual Ss to share what their partners said.

PRACTICE | 8–10 minutes

1 (S–S, T–S, S–T) Ss do Exercise 2 individually. Allow them 1 minute to read through the questions to make sure they know exactly what to watch out for. Play the first part of the video and then give Ss 1 minute to check their answers in pairs before doing a class check.

2 (S–S, T–S, S–T) Ss do Exercise 3 individually. Play the second part of the video so that Ss watch and do the matching exercise. Then ask Ss to check their answers in pairs before doing a class check.

3 (S–S, T–S, S–T) Ss do Exercise 4 individually. Before playing the rest of the video, ask them to read the questions so that they know what they are watching out for. When Ss have finished, ask them to check their answers in pairs and then do a class check.

PRODUCTION | 25 minutes

(T–S, S–T) Refer Ss to Exercise 5. Read through the rubric with the class and make sure Ss understand it correctly. Then put Ss in groups of four and give them 10 minutes to look for information about the Cliffs of Moher and prepare a short presentation. All through this activity walk around monitoring and helping as they do it. When they are ready, invite groups to give their presentations in front of the class. Then give some feedback.
