LESSON 4

WARM-UP | 3 minutes

(T–S, S–T) Books closed. Carry out two class votes – one vote for Ss' favourite type of food or drink which is good for them, and one vote for Ss' favourite type of food or drink which is bad for them. Finally, have an overall vote for a favourite food or drink and ask Ss if they are surprised about the winner.

PRE-LISTENING | 2–3 minutes

(T–S, S–T) Exercise 1. Ask Ss what kind of food is generally bad. Elicit the answer: *fast food*. Ask Ss if they like fast food and why/why not. Have a brief class discussion.

WHILE-LISTENING | 18 minutes

1 (S–S, S–T, T–S) Ss do Exercise 2 individually. Play the recording once. Ask Ss to check their answers in pairs before doing a class check.

2 (S–S) Exercise 3. Put Ss in pairs. Give them 1 minute to look at the photo of the Spanish omelette at the top of the page and decide what ingredients are in it. Then Ss listen and check.

TIP

See Culture notes in TB p. 153 for information about the Spanish omelette.

3 (S–T, T–S) Exercise 4. Refer Ss to WORD STORE 2D p. 5. Give them 1 minute to complete the activity and play the recording so that Ss listen and check their answers. Do a quick class check.

4 (S–S, S–T, T–S) Refer Ss to Exercise 5. Ss work in pairs for 1 minute to find as many verbs as possible that go with *eggs*, *potatoes*, *meat* and *cheese*. Elicit answers and write them in four columns on the board.

5 (S–S) Refer Ss to Exercise 6. Put them in pairs and give them 2 minutes to look at the photo of the fruit pancakes and complete the recipe. Then Ss listen and check.

6 (S–S, S–T, T–S) Ss do Exercise 7 individually. Before playing the recording, allow Ss time to read through the information to make sure they know exactly what to do. After listening, ask Ss to check their answers in pairs before doing a class check.

POST-LISTENING | 8 minutes

1 (T–S, S–T) Exercise 8. Ask Ss which healthy fast food recipe from the programme they would like to try and why. Have a brief class discussion.

2 (T–S, S–T) Exercise 10. The class repeat the words from the recording using choral drilling. Then check pronunciation individually. Point out that the word *sit*, for example, has an /ɪ/ sound, which is shorter, whereas the word *seat*, has an /iː/ sound, which is longer.

3 (S–S, S–T, T–S) Ss do Exercise 11 individually. Play the recording twice if necessary. Then ask Ss to check their answers in pairs before doing a class check.

PRODUCTION | 8 minutes

1 (S–S) Exercise 9. Give Ss 5 minutes to write the instructions for their favourite recipe. Tell them that they can use the recipe for fruit pancakes as a model for their writing. Remind Ss that they should use words/phrases from the WORD STORE 2D in their recipe. As they write, walk around monitoring, supporting and taking notes of any problems.

2 (S–S) Put Ss in pairs and tell them to swap their recipes. Give Ss 2 minutes to check each other's writing and give it back. Then give Ss 1 extra minute to make changes to their recipes based on their partner's feedback.

3 (S–T, T–S) When they have finished, invite Ss to share their recipes with the class. Finally, give feedback based on your notes. Optionally, if you are short of time, omit this final stage and collect the recipes to check and give feedback later.

HOMEWORK

1 Give Ss WB p. 27 as homework.

2 Ask Ss to think about the best or most unusual food markets they have ever been to.

CONTINGENCY PLAN
