LESSON 2

WARM-UP | 5 minutes

1 (T–S, S–T) Ask Ss to look at the picture and describe it using *there is / there* are or *I can see*. Elicit descriptions from individual Ss.

2 (T–S, S–T) Exercise 1. Ask Ss to look at the people in the picture and identify their jobs. Give Ss 1 minute to do this. Elicit where the people work and then what each of them does, e.g. *Sally is a cook. She prepares food.*

PRESENTATION | 12–14 minutes

1 (S–T, T–S) Refer Ss to Exercise 2. Play the recording once. Ss read and listen to decide if Sally is telling Sarah the truth. Elicit what is said in the recording that supports that answer.

2 (S–S, S–T, T–S) Refer Ss to Exercise 3. Give them 2 minutes to complete the GRAMMAR FOCUS and check their answers in pairs before doing a class check. Elicit answers and check the concept, e.g. ask: *I'm talking to you. You're listening to me. Is it now or every day?* Remind Ss to use contractions to sound more natural.

3 (T–S, S–T) Tell Ss to check the spelling of the *-ing* form in the REMEMBER THIS box. Point out the spelling rule with *making* (when a verb ends in *-e*, drop the *-e* and add *-ing*) and *fitting* (when a one-syllable verb ends with one vowel and one consonant, double the last consonant). As an alternative, go to GRAMMAR FOCUS REFERENCE AND PRACTICE 3.2 on p. 128 and tell Ss to complete Exercises 1–4 on p. 129 individually. Do a quick class check. Optionally, this could also be given as homework.

TIP

Ss are familiar with the verb *be*, but they often leave it out when using the Present Continuous. This is because the auxiliary verb is not usually stressed, so Ss do not hear it and therefore do not produce it. Highlight the form clearly and monitor carefully.

PRACTICE | 10 minutes

1 (S–S, S–T, T–S) Ss do Exercise 4 individually. Give them 3 minutes to complete the sentences individually and to check their answers in pairs before doing a class check. Elicit answers and check the form and spelling. Model and drill any verbs Ss have problems with. Optionally, elicit some examples from Ss, e.g. *I think my brother's playing computer games at the moment; or maybe he's listening to music.* Give Ss time to think about their sentences. While eliciting sentences, make notes of errors to focus on while giving feedback.

2 (S–S, S–T, T–S) Ss do Exercise 5 individually. Revise how we form questions. Give them 3 minutes to do the task. Tell them to write the questions in their notebooks and then check with a partner. Elicit answers and check the form and spelling. Model and drill any verbs Ss have problems with.

PRODUCTION | 8–10 minutes

(S–S, S–T, T–S) Refer Ss to Exercise 6. Tell them that in a few minutes they will take turns to ask and answer the questions in Exercise 5. Encourage Ss to give full answers and as much detail as possible. Model the activity:

A: *Is anybody wearing something black?*

B: *Yes, three people are wearing something black. Mo is wearing black shoes and Tim and Olaf are wearing black T-shirts.*

Give Ss 1–2 minutes to prepare. Then put them in pairs. As Ss interact with each other, walk around taking notes of what you hear. When they have finished, invite individual Ss to tell about the people in the classroom and then give some feedback based on your notes.

LESSON 3

WARM-UP | 3–5 minutes

1 (T–S) Explain to Ss that they are going to watch an animated cartoon which will give them more context for the grammar.

2 (T–S, S–T) Ask Ss a few warm-up questions like: *Who is the man in the garden? What is he wearing? What is he doing?* Play Video 13 – Grammar Animation from the Teacher's resources and stop after the introduction (00:22). Elicit or explain the meaning of *private investigator*, then ask for examples of what a private investigator does and how he/she works to revise some vocabulary. Make sure Ss understand that the man outside is a private investigator and talking to someone on the phone. They want him to watch a house.

PRESENTATION | 7–8 minutes

1 (T–S, S–T) Ask Ss to watch and listen carefully and answer the following questions: *How many people are there? Who are they? Where are they? What are they doing? Why does the father go to the kitchen? Does the woman see the private investigator? Why not? Why is the private investigator afraid? Which dessert are they eating?* Play the video with the subtitles off.

2 (T–S, S–T) Play the whole video once again, with subtitles. Ask Ss to pay special attention to all sentences with the Present Continuous.

PRACTICE | 10–12 minutes

1 (T–S, S–T) Explain to Ss that the animation provides more context for the topic of the lesson. Ask them if they can remember any sentences in this tense from the video. Write them on the board. Do not worry if Ss do not remember all the sentences – use the script to read out the sentences with the target language and put more sentences on the board.

2 (T–S, S–T) For Ss who still do not understand the Present Continuous, use the teacher's explanation part of Video 13 – Grammar Animation from the Teacher's resouces (02:46–05:03). Optionally, if you feel they are doing well and can list a few examples and provide explanations, then you can omit the teacher's part.

TIP

You can play the animation for a third time in weaker groups or if Ss really want to watch it. Then pause after sentences where there is Present Continuous. Ask Ss to decide why the Present Continuous is used and how the affirmative and negative sentences and questions are formed. You can ask them to repeat a sentence, turning the subtitles off, especially where they had problems with a given example.

PRODUCTION | 15 minutes

Explain to Ss that they are going to act out a similar scene in groups. Explain that the role-play won't have to be exactly the same, but they will have to use some of the language on the board. Divide Ss in groups of four or five and let them prepare for the role-play. Ss should present their role-plays in front of the class, to make it more engaging.

HOMEWORK

1 Give Ss WB p. 38 as homework.

2 Ask Ss to prepare for a 10–20-minute Grammar Quiz: Assessment Package, Unit 3.2, Grammar.

3 Ask Ss to write a description of what is happening in one of the photos on p. 39.

CONTINGENCY PLAN

Refer to TB p. 38 for extra activities.
