LESSON 5

WARM-UP | 6–7 minutes

1 (S–S) Invite one S to come to the front of the class and ask him/her to think of a job. The other Ss have to ask questions to try to guess what the job is, but they can only ask *yes/no* questions, e.g. *Do you work in an office? Are you well-paid? Do you work in a team?*

TIP

Tell Ss to look at Exercise 6 on p. 37 for ideas to ask about. This will also help review vocabulary from the unit.

2 (S–S) Ss repeat the activity in groups of four, with each S taking turns to choose a job and answer the questions.

PRE-READING | 5 minutes

(S–S, S–T, T–S) Tell Ss to cover the article and look at the photos. Put Ss in pairs and give them 2 minutes to discuss the questions in Exercise 1. When they have finished, elicit ideas and have a brief class discussion.

WHILE-READING | 12 minutes

1 (S–T, T–S) Exercise 2. Give Ss 3 minutes to read the article and check their ideas in Exercise 1. Then elicit the answers and ask Ss if they are surprised.

2 (S–S, S–T, T–S) Give Ss 7 minutes to read the article again and do Exercise 3 individually. Ask Ss to check their answers in pairs before doing a class check. Optionally, play the recording of the article and have Ss listen and follow the text.

TIP

See Culture notes in TB p. 154 for information about Lego Master Builders.

POST-READING | 15 minutes

1 (S–S, S–T, T–S) Refer Ss to Exercise 4. Put them in pairs and give them 2–3 minutes to discuss the questions. While Ss do this, monitor and support when necessary. When they have finished, elicit ideas from the pairs with reasons why and have a brief class discussion.

2 (S–S, T–S, S–T) Ss do Exercise 5 individually. Encourage them to read around the words in blue in the article and try to work out the meaning using the context. Give them 3 minutes to work individually and then 1 extra minute to compare their answers with a partner. Then Ss listen and check their answers. Practise the words using choral drilling and individual repetition.

3 (S–S, T–S, S–T) Ss do Exercise 6 individually. Give them 2 minutes to complete the advertisement individually and 1 extra minute to compare their answers with a partner. Do a class check. Then ask Ss to tell each other whether they would like to do this job. Encourage them to give reasons for their preferences. When they have finished, invite individual Ss to share their ideas with the class and have a class discussion.

LESSON 6

WARM-UP | 5–7 minutes

Put Ss in groups of four or five. Explain that you are going to choose a word from the previous lesson and spell it backwards. The groups should work together to try to guess the word. As soon as a group thinks they have guessed the word, they should put up their hands and say the word. If their guess is correct, they win a point, but if their guess is incorrect, the other groups should continue to try to guess the word. Repeat the process a few times. As an alternative, you can ask for the definition of the word or an example sentence from the group who give the right answer.

PRACTICE | 20–22 minutes

1 (S–T, T–S) Exercise 7. Refer Ss to WORD STORE 3E p. 7. Give them 1 minute to complete the activity with the underlined words in the article. Then play the recording so that Ss listen and check their answers. Practise the collocations using choral drilling and individual repetition.

2 (S–S, S–T, T–S) Ss do Exercise 8 individually. Give them 2 minutes and then 1 extra minute to check their answers in pairs before doing a class check.

3 (S–T, T–S) Give Ss 3 minutes to make sentences using the collocations in WORD STORE 3E. Then ask individual Ss to share their sentences with the class. Correct if any Ss are using the collocations incorrectly and point out what is wrong.

PRODUCTION | 7–8 minutes

(S–S, S–T, T–S) Tell Ss that in a few minutes they will discuss statements about a good job. Refer them to Exercise 9. Read through the statements with the class and give Ss 2 minutes to prepare individually. Then put them in pairs and give them 3 minutes to discuss the topic. Tell them to use as many vocabulary items from the article as possible. Walk around taking notes of what you hear. When they have finished, invite different pairs to share what they have discussed with the class. Then give some feedback based on your notes.

HOMEWORK

1 Give Ss WB pp. 40–41 as homework.

2 Ask Ss to do *Show What You Know* in the WB, p. 42.

3 Ask Ss to write three true and three false sentences about themselves using the Present Simple and Present Continuous.
